Glik and Hundley To Head UF Drive

Preparations Beginning
For 1965 United Fund
Campaign in Fall

Joseph Glik, president of Glik's Department stores, will lead the campaign for 1965 funds for the Tri-Cities Area United Fund. John R. Hundley, a vice-president of Granite City Steel Co., serving as vice-chairman of the drive will be in the fall.

Announcement of the appointments was made Tuesday by N. R. Brink, president of the UF board, during a meeting of the board of directors of the YMCA. The directors ratified the selections.

"The community is fortunate to have two such outstanding leaders heading the campaign," Brink said. "The health, welfare and character-building services of the United Fund drive depend on the efforts of the campaign."

Glik, a member of the United Fund board of directors, served as vice chairman of the drive last fall, headed by A. P. Steinhilber. The amount raised was \$201,844, a record high for the Granite-Cities area.

Hundley is a member of Otto Kerners committee on unemployment and was selected as chairman of the committee. Hundley is a member of the Granite City Industrial Club of St. Louis.

William Ohlendorf Jr., was re-elected president of the Venice park district Tuesday night. He was elected to a second year.

Other officers were: Miss Hilda Dugher, vice-president; Miss Marquise Fehle, treasurer; Leroy Kutz, secretary; Harry E. Hartman, attorney; Martin G. Chang, superintendent; and Charles Simmons, recreation director.

Under other business, the board decided against discontinuing the compensation for insurance as many other taxing bodies have done.

Grassroots spring planting of flower beds at Lee Park will start Saturday. The park's three baseball and softball fields, he said, will be used this summer by four groups—the Madison Venice Khoury League, the Taverner Softball League, the Venice Sportettes girls' softball team.

Attend Retailer Banquet

The ingredients of civic leadership and responsibility were outlined by Speaker Paul A. Grigsby during last night's 15th annual civic achievement award presentation banquet given by the Associated Retailers to honor G. W. Hoelscher.

The banquet of Granite City high school cafeteria was attended by 250 persons, who heard Hoelscher make the civic leadership qualifications by "seeing today what others are unable to see until tomorrow."

He was presented with the large, gold loving cup by C. E. Townsend, member of the awards committee, who substituted for Robert Gibson, also a member of the committee.

Hoelscher, retired secretary of the Manufacturers Association of the Tri-Cities and leader of numerous civic endeavors in the Quad-Cities, spoke briefly, saying this probably would be his last time to attend such a banquet.

Civic Achievement Award Banquet Highlights

Old friends got together for the 15th annual Civic Achievement Award banquet last night when the honorees, Gustav W. Hoelscher, and the principal speaker, Paul A. Grigsby, former Granite City superintendent of schools and the 1950 Civic Achievement Award winner.

Grigsby recalled that it was shortly after his arrival in Granite City in 1922 that he met Hoelscher, who then was on the YMCA board and called upon Grigsby to aid in a membership campaign for the YMCA.

It was only a short time later that the Manufacturers Association was looking for a man with ability and knowledge of the community, and Hoelscher was picked for the job.

Mr. Grigsby, who was accompanied by his wife, Martha, pressed pleasure at seeing among the teachers present for the banquet two former high school teachers, Misses Agnes and Nina Rishfield, who stopped over from New York to visit.

Last night was a first for the new Coolidge Junior high school. The school's first public appearance was at the banquet.

Mayor Davis, who gave the official welcoming address, praised Hoelscher for the assistance he had given the city despite the difficulty of the tasks assigned.

Speaking for the Associated Retailers, sponsors of the annual awards banquet, Bernard S. Miller, association president, paid tribute to Hoelscher for his community services and then added a "30-second commercial" inviting everyone to visit the Retailers new office at 1831 Delmar avenue.

Master of ceremonies, Randall Robertson, attorney and member of the civic award committee, was introduced by E. G. Schmitt, chairman of the committee.

Hoelscher, who made a few remarks, said it was fitting for Rev. Bauman, pastor of his church, to give the benediction at the banquet which marked his retirement from public life.

Seated at a table directly in front of the head table were: Mr. and Mrs. Alfred Hoelscher, Mr. and Mrs. Otto Hoelscher, Mr. and Mrs. Otto Hoelscher, Mr. and Mrs. Otto Hoelscher.

Tom York Sr., 52, Nabbed by FBI on Mann Act Charge

Tom York Sr., 52, was arrested in Madison at 11 a.m. today by agents for the Federal Bureau of Investigation on a warrant issued out of Hot Springs, Ark., charging violation of the Mann Act.

R. D. Gibbons, agent in charge of the Springfield office, said York is accused of taking a young girl from the 1000 block of State street, Madison, to Hot Springs for purposes of prostitution.

York was on his way out at 1010 State street when arrested. He was booked at the Madison police station where he is being held for the U. S. Marshal from Springfield.

The FBI agents said no difficulty was encountered in taking York into custody. The girl was not identified, but it was learned she is from the Collinsville area.

Air Pollution
Study in GC Will
Take 2-3 Months

State health department assistance for Granite City's Air Pollution Study committee to pinpoint sources of air pollution with special equipment will take two or three months, the committee was told by a state official.

Robert French, last night the Illinois Bureau of Radiation Health and Safety, stressed that a realistic approach should be a suitable and acceptable solution to the sources of air pollution in order that they might be able to meet the requirements.

He said Granite City's lack of data is the major weakness in pinpointing the sources of air pollution, but that the Interstate Air Pollution Study group also should be able to assist.

Studying Present Ordinance
French was given a copy of Granite City's present ordinance, which he plans to study and he said his board will provide a model air pollution control ordinance to the city.

Board to Present 40-Cent Rate Plan

Favored by 4 School
Board Members For
May 23 Referendum

The special Granite City school election Saturday, May 23, will include a proposed 40-cent increase in the current \$1.75 educational fund tax rate, the school board decided Monday night despite objections by citizens.

Together with an estimated 12-cent rate for a \$2,390,000 bond issue construction program, and the spending of other governmental agencies, the decisions to be made by voters involve about 13% higher property taxes.

The proposed \$946,000 yearly tax rise—\$728,000 for the educational fund and \$218,000 for bonds and interest—was favored by Board President Daniel Liner, Secretary Ronald Dillard, Treasurer Mommy Worthen and Board Member Robert Crider.

All seven board members approved the tax election construction program, and the spending of other governmental agencies, the decisions to be made by voters involve about 13% higher property taxes.

Also recommending a 25-cent plan, with 12 cents for bonds, were Board Members Robert Spangler, Ralph Buske and Dr. Robert H. Hubsch. Hubsch said that they favored a 25-cent educational fund increase at this time.

Also recommending a 25-cent plan, with 12 cents for bonds, were Board Members Robert Spangler, Ralph Buske and Dr. Robert H. Hubsch. Hubsch said that they favored a 25-cent educational fund increase at this time.

Both board members and citizens said the decision on 40 cents would defeat the educational rate increase and also might jeopardize the construction plans, which include a high school addition, Nidderhous grade school addition, new grade school and the proposed new junior high school on Ponton road and a site for a future high school.

The financing outlook outlined at the meeting contrasted with the state of affairs in the city, at which time the school board was in the 40 cents and the 12-cent plan, which would be utilized in 1964-65, another year for education in 1967-68, and the final 10 cents in 1968-69.

At the request of board members, Supt. Harold M. Kaiser asked \$260,000 to pay for teaching salary increments raises during the next four years and \$100,000 to expand the teaching staff in 1965-66. About 25 teaching positions also are being added in 1964-65.

It was said that no specific allowance has been made to staff 18 classrooms in which construction bids are to be awarded next Monday night, and that a reduction in assessed valuation has effect eliminated five cents of the \$1.75 current educational fund rate.

MFT Engineer Contract Vetoed by Davis

Engineering services — the most debated topic at Granite City council sessions over recent years — was in the forefront again Monday night when Mayor Davis vetoed the council-approved recommendation of the Engineering Study Commission.

The veto, which the council failed to override, eliminated the local firm of Shepard, Morgan & Schwab as motor fuel tax engineer. Davis would not announce his choice, but his veto message gave strong support to the former MFT engineer, David Johnston & Associates, East St. Louis.

Johnston's representative, A. W. Pearson, conferred with Mayor Davis during a subsequent 10-minute council recess. However, Mayor Davis said the Johnston firm did not want the MFT work for the city. The mayor has been appointing Johnston as city engineer every 39 days, but did not want the appointment Monday night — the first meeting in May. No salary has ever been set for the city engineer post.

Commission A "Farce"

In protest, the Engineering Study Commission was dissolved at the request of its chairman, G. H. Sternberg, who said the mayor's appointment of the commission was nothing but a "farce."

The veto was termed a slap at the newer group of aldermen who had opposed reappointment of Johnston at the last council session. "They're letting Johnston down then," Mayor Davis said.

William McGee and Sternberg said the mayor failed to provide leadership and did not attend any of the three sessions held by the commission nor did he provide any suggestions. They added that Johnston was given an opportunity to submit a proposal for the job but failed to do so.

Two Identical Proposals

They said that Shepard, Morgan & Schwab, a Granite City firm, and Stevens & Associates, St. Louis, had submitted identical proposals which provided the city with a 2% overall savings on MFT engineering work.

Salvation Army Shed
Burns; \$1000 Damage

Damage was estimated at \$1,000 in a fire which started in a Salvation Army storage shed and spread to the porch of a neighboring two-story brick building at 1423 Nineteenth street at 8:30 a.m. Wednesday.

A fence and the side of the shed were also damaged. The structure contained papers and old furniture which were contributed to the Salvation Army. Cause of the fire was unknown, but firemen from the main and West Granite stations, helped by St. Louis firemen, fought the fire.

Defense Cutbacks Not Likely To Cut Employment Here

Shrinkage in national defense spending, with shifts in types of orders, is being widely predicted for the next several years. Fortunately, there will be little or no adverse effect on Quad-City industries, a Press-Record survey showed today.

Granite City Steel Co., largest local employer, has no direct defense contracts and only a small amount of steel production directly linked to armaments. In recent years, Department of Defense steel use has been largely for construction of buildings. Some steel is used in weapons and missiles, but there is little basic steel production involved; principal cost factor in fabricators' bids is labor rather than materials, since there is increasingly high quality and uniformity standards.

Shit In Emphasis Here

About half of the Metal Products Co. work here eventually is used by the armed forces, but the firm already has been altering its emphasis, policies and changing governmental needs. Less and less of its production is going into plane and missile parts and more into land and air defense vehicles and landing mats.

In keeping pace with the national shift, the Dow plant hopes to have completed its stable operations at least for several years.

General Steel Industries makes high and low tolerance tanks and high-tolerance containers for nuclear submarines but hopes to have completed its stable operations at least for several years.

Construction, Coffee, Syrup

American Steel Foundries primarily serves railroads, and the construction field is the dominant factor in local Laclede Steel Co. production. The National Lead Co. reports no likelihood of a major change in its manufacturing here.

None of the Nestle instant coffee produced in Granite City goes to the armed services.

United Starch & Refining Co. produces some corn syrup for military bases, but it is recognized that armed forces personnel will continue to eat regardless of the kinds of weapons they are manning.

No Notice to TRRA

The Terminal Railroad Association, which serves most of the industries in the Quad-Cities, has received no notice of a strike vote by the railroad firemen's brotherhood, it was learned from the office of the president.

Tavern Burglary Among 5 Thefts Reported to Police

Five thefts, including a burglary at Pete and Mary's tavern last night, were reported to local police and county authorities since Monday. Loot included cash, whisky, tools and radios.

Tavern Burglary

Burglars took about \$70 in cash and about five cases of whisky from the shelves of Pete and Mary's tavern, 2469 Lincoln avenue, last night. It was reported at 6:40 a.m. today by Roy Pendleton, bartender, after he reported work.

The money included about \$21 from a coin tray in a cash register and about \$50 from several paper cartons on shelves. Pendleton found the glass broken in the back door and the tavern was ransacked.

Tires, Jack Taken

Two used tires and an auto jack were stolen in a burglary at the Webb residence, 1419 Market street, Venice police were informed Monday.

A transistor radio, a box of 22 caliber shells and legal papers were stolen from 1956 car owned by Cyril Jacobs, 2166 Lee avenue, during the night while it was parked in front of his home, he reported at 10:35 a.m. Tuesday. The glove compartment was pried open.

Under other business, the board decided against discontinuing the compensation for insurance as many other taxing bodies have done.

Grassroots spring planting of flower beds at Lee Park will start Saturday. The park's three baseball and softball fields, he said, will be used this summer by four groups—the Madison Venice Khoury League, the Taverner Softball League, the Venice Sportettes girls' softball team.

A breakdown of the year's statistics in road deaths and injuries had changed their views and now favored fluoridation.

Another Vote In 2 Weeks

The next vote on fluoridation will be May 18 as there is no council session next week. Aldermen also noted that the mayor is in a vetoing mood—especially for legislation supported by the newer aldermen.

Aldermen opposing fluoridation were Fourth Warders Donald Partney and Paul Rutledge in whose ward the proposal was defeated in an advisory vote several years ago. Voting for fluoridation were Samuel Whitmer, Bartolosiak, Steve Bassarick, J. D. Bergfeld, C. H. Stevens, Monte Lin, William McGee, Casner Skubish, John Thompson, Fort Jones and C. E. Townsend.

Prior to the vote, McGee reminded aldermen that a third of the major cities in the country have been drinking water with the same practice is followed at most armed forces bases.

Skubish said he brought the proposal back to the council floor even though he had been

the need for a civic leader to have faith in mankind, courage and vision.

And, he emphasized that for a community to progress, the people must be respected and treated as individuals, and they must cooperate with the leaders. He recalled that it was six years ago that he left the community, and this was his second return visit. The first was to honor Hoelscher for 25 years service on the YMCA board.

"There have been some changes here. You have a skyscraper, a motel, new banks, many new residential areas, new downtown stores and remodelled stores and also new schools and enlarged schools."

"But you have the same friendly spirit. I've found it in old friends, and the new people here have the same spirit. Changes denote progress, but some things should remain the same—that's good."

Turning to Hoelscher, Grigsby said, "You gave your time and talent for greater community service that has benefited Granite City, the community, the manufacturers, and even the state. The premise lies in the past—the spade work you have done over the years. . . . You not only have given your time and talent to your credit, but you also have laid the groundwork for what is to come."

Giving the ingredients of a civic leader, Grigsby said the man must have faith in the fellow men and the ability to overcome obstacles and keep going when criticized.

"You must have the vision not of just what is going to happen tomorrow, but how the total result will end in years ahead, an ability to see today what those who follow will not see until tomorrow."

"Those are the essential ingredients of what goes into men and women with civic responsibility." Grigsby recalled his arrival in Granite City in 1932 when the community was in the depths of the depression. "I stayed here to see prosperity arrive, and the people didn't forget they had responsibilities and kept on working for the benefit of the community."

In concluding his talk, Grigsby pointed out that in the age of automation, it is necessary for civic leaders to look upon the people of the community as individuals in order to progress. "This community will go ahead—and remember, a community is no stronger than the individuals in it."

Park District Accepts Bid for Pool Sun Deck

A bid of \$2500 from Henry Ross Construction Co. to construct a 10-foot concrete sun deck, along with a fence, curb and drain gutter on the east side of the Wilson Park swimming pool was accepted by the Granite City park district Tuesday night at a meeting in the park district office.

Bids on three proposals submitted by the district were opened Monday. The board only approved the one item. The other proposals called for a 12-foot concrete sun deck along with fence, curb and drain gutter at the north and east side of the pool and the replacement of a curb and drain gutter at the pool's south end. Action on these proposals were postponed.

Motorcycle Hits House; Operator Is Injured

Tony Gafford, 26, of 2907 Buxton avenue, lost control of a motorcycle as he was leaving a driveway at 2970 Iowa street, ran across one lawn across the street and hit the home of Fred Breyer, 2871 Iowa at 7:30 p.m. Monday.

The police report showed that he was injured but there was no report of treatment at St. Elizabeth Hospital. The basement window and foundation of the house were damaged as was the front of the cycle. The vehicle first crossed the lawn of James McQuade, 2869 Iowa street. Gafford was charged with careless driving.

A biography of Gustav William Frank Hoelscher shows he was born June 29, 1897, in Washington county, Ill., and lived in St. Louis before the family move to Granite City. He began his business career at the old Granite City Corn Products Refining Co., leaving there in 1920 to go to the St. Louis Coke and Chemical Co. where he became purchasing agent in a short time.

He was elected to the Community high school board of education in 1933 and for 16 years was its president. Prior to becoming secretary of the East Side Manufacturers' Association in 1934, he worked with an East St. Louis paint company.

14 Persons Hurt In 9 Accidents Here This Week

Fourteen persons, including several children, were injured this week in nine of 25 traffic mishaps occurring in and near the Quad-Cities this week. In one crash at the Routes 111 and 60-40 intersection east of Mitchell yesterday afternoon, five persons were injured.

Five persons were injured when a car driven by Mrs. Mary Ward, 40, of Springfield, rammed the rear of a car driven by Jewell Tryon, 37, of Bethalto, stopped for a red light at 12405 p.m. Wednesday at the intersection of Highway 111 and Bypass.

Taken to St. Elizabeth Hospital were Mrs. Ward, August Stankoven, 45, of Gillespie, a passenger in her car; Tryon, and Ralph Rivera, 32, of Belleville, and Joe Hainsworth, 42, of Edwardsville, passengers in his car. Stankoven was admitted with a laceration to the right side of the thigh and abrasions to the forehead as his head went under the windshield. Mrs. Ward was treated for abrasions under the chin and was released. Medical reports on the other three were not available.

Bicyclist Injured

After riding his bicycle out of a driveway into the 2600 block of Washington avenue at 4:35 p.m. Wednesday, James Ahlers, 10, of 2901 East 28th street, was struck by a car driven by Robert Walkenbach, 2741 Ralph street. The boy was taken to St. Elizabeth Hospital for treatment. Ladonna Gosnell, 6, of 3309 Wabash avenue, ran into the street and as she decided to turn back, was struck by a car driven by John T. Toth, 19, of 2654 Edwards street, at 8:20 p.m. Wednesday at Wabash and Clark avenues. She was taken to St. Elizabeth Hospital where she was treated for abrasions to both arms and was released.

Sustains Head Injury

Gabe Phelpe, 40, of Mt. Vernon, was admitted to St. Elizabeth Hospital with a head injury after his car struck another owned by Basil Torres, 2337 Cleveland avenue, parked in front of his home at 6:45 a.m. Wednesday. It was knocked into a parked station wagon owned by John Toribio, the same address.

Phelps also had contusions and lacerations to the chin and forehead. He was charged with failing to make a report of an accident after striking unattended vehicles.

Three-Car Accident

A boy and his mother were hurt in a three-car accident when a car driven by Katherine E. Briggs, 2704 Denmore street, at 10:20 p.m. Tuesday in front of his home. She said she was knocked over by traffic. There was no record of hospital treatment.

Mitchell Girl Leaves On Trip to Washington

Gaynell Stidham, 12, daughter of Mr. and Mrs. George Stidham, 133 Troekler lane, left yesterday for Washington, D. C., where she will march Saturday in the annual national school safety patrol parade.

The event is sponsored by the American Automobile Association, and Gaynell was selected to represent the Quad-Cities area by the Illinois division of AAA. She is a member of the school safety patrol at Mitchell school

Meet On Establishing School For Handicapped

Possibility of starting a school for the handicapped in Madison county was discussed by a gathering of 42 Tuesday night at the Lewis and Clark restaurant, East Alton. It was estimated that there are 2000 handicapped children in the county, including many receiving no schooling.

It was decided to form a central committee of all professional groups and other organizations aiding the handicapped to determine how to approach the project. A survey to determine the number of children in the county was also being conducted.

Auto Knocked into Tree

A hit-and-run driver knocked a parked car owned by Floyd A. Culver, 2033 Madison avenue, into a tree. His auto was in front of his home at 6:30 a.m. today when the crash occurred. The left front and right side were damaged.

A woman was injured in a three-car accident when a car driven by John W. Hampton, 1017 Logan street, Venice, going east on 21st street across Madison avenue, was struck by a stake truck driven north on Madison by Richard Dry Jr., 40 of 4402 Kirkpatrick North at 4:20 p.m. Tuesday. Hampton's auto was knocked into a car operated by Hazel M. Ballard, 33, of Brooklyn, who was stopped for a stop sign.

Admitted to St. Elizabeth Hospital was Elizabeth Dadds, 48, of Brooklyn, a passenger in the Lucas car. She suffered pains to both legs. Hampton was charged with failure to yield the right-of-way. The truck is owned by the Granite City Housing Authority. All three vehicles were damaged.

Robert W. Moore, 19, of 2615 Iowa street, was injured when his motorcycle was struck by a car driven by Earl Lee, 43, of Bay City, Ill., as the car was making a left turn into a driveway at 3013 Iowa street at 2:35 p.m. Monday.

Moore was taken to St. Elizabeth Hospital where he suffered lacerations to the right forearm and back and was released. Police charged Lee with driving on the wrong side of the street. Lee said he did not see Moore approaching.

Warning That Roofers Should Prove Insurance

A warning was issued today by Harlin Dobry of the Chamber of Commerce that local families in a fall, the home owner can be having their roofs repaired should require the roofer to show them a certificate of insurance.

If an uninsured roofer is hurt sued for the injuries and loss of earning power, Dobry said, states that the Jaycees support the school proposals and give a vote of confidence to the school board members. Several of the Jaycees are serving on the citizens' committee supporting the bond issue and tax referendum.

Mexican Fiesta Set For Saturday Night

A "Cinco de Mayo" Mexican fiesta, sponsored by the Mexican Honorary Commission is set for 8 p.m. Saturday at the Hungarian Home, 1801 Spruce street, it was announced by Fel Carrera, program director.

Carrera said that Mexican songs and regional dances will be featured and the Santacruz Brothers orchestra will provide music for dancing. Miss Ana Maria Barning, of the Mexican consul in St. Louis, will be a guest of honor.

Ray Bracamonte is the assistant director; Mrs. Elva Ortiz, casting director; and Miss Rosamaria Ortiz, assistant. Louis P. Becerra is president of the commission.

Carrera said the program, is in observance of the Battle of Puebla, Mexico, May 5, 1862, in which the Mexicans were victorious and that it will be open to the public. Mexican food will be served.

Miss Straka in Play At Eastern Illinois U.

Miss Jerri Straka, 2434 Delmar avenue, will be playing the role of Lotus Blossom in "The Teahouse of the August Moon" May 8-12 in the Fine Arts Theatre at Eastern Illinois University, Charleston.

Sunday's performance will be at 2 p.m. while all other performances will be at 8 p.m.

"The Teahouse of the August Moon" was adapted by John English minor, also has appeared in "Yes, My Darling Daughter" and "The Lesson" at Miss Straka, a speech major Eastern Illinois.

Appreciation Award To Charles M. Roos

Charles M. Roos, only remaining charter member of the Bi-State Development Agency who resigned recently due to ill health, Wednesday was presented with a resolution of appreciation for his services and an engraved silver tray in token of that service.

The presentation took place in his Belleville apartment, where he has been bedfast for the last four months with a recurring back injury, originally suffered years ago.

C. E. Townsend, Granite City, vice-chairman of the agency, tendered the resolution and gift. Others present from the agency were Herbert Wilhelm, Edw. Delmore, Edwin Spiegel and Col. R. E. Smyser Jr., executive director.

Roos, retired general manager of the East St. Louis & Interurban Water Co., was appointed to the agency in 1949 and during his tenure served as chairman and vice-chairman. Acquisition of the 15 private bus systems in the bi-state area, together with their unification, was accomplished largely under his direction.

In accepting the resolution and gift, he commented that Bi-State has been growing in stature and meeting with greater public acceptance, both of which pleased him. There will be continuing problems and mistakes will be made, he said, but as long as the 10 commissioners place honesty, integrity and public service above everything else "the end result will be a good one for everybody."

'Fourth' Celebration Set July 1-5 At Wilson Park

A five-day Fourth of July celebration has been scheduled for July 1-5 at Wilson Park by the Granite City park district. A \$1000 fireworks display at 9 p.m. Saturday, July 4, will highlight the fifth annual affair.

Purpose of the program, according to park district officials, is to encourage people to stay in Granite City over the holidays and avoid the heavy traffic and subsequent high death tolls.

The celebration will feature 10 to 12 carnival rides, refreshment stands and various booths. Local organizations wanting to have a booth or stand are advised to contact Harold Brown, director of parks and recreation, to sign contracts.

MFT Engineer Veto

(Continued from page 1.)

was not present Monday night, that the mayor vetoed the MFT contract with Shepard, Morgan & Schwab.

Davis denied that anyone had advance knowledge of his decision.

Nonn knew in Advance

Whitmer replied that Noon seemed to know in advance. Edmund Barsch called for a more detailed explanation by the mayor, pointing out an MFT engineer is needed to get work done.

The mayor said he had understood the commission was to be for him to select from and then he had never been consulted.

"Since I sign all MFT contracts, I think I should decide," Sternberg commented. It was the council's decision to select an MFT engineer and not to name a city engineer. That position also is vacant, except for the 30-day temporary appointments of Johnston by Mayor Davis.

Sternberg outlined for the council the procedure to override a veto, explaining the council must first vote on reconsideration of the contract resolution.

This carried 12-to-2. Charles Moellen said he voted for reconsideration, but he did not want the council to hire a motor fuel tax engineer that the mayor did not want. He said it would be better to have an engineer who would be compatible with the chief executive in order to accomplish the motor fuel tax projects in a proper manner and without delay.

"Try To Overcome Shortcomings"

McGee pointed out the council was endeavoring to work out a program of MFT engineering to solve the shortcomings of the mayor and to meet the needs of the community and its people, but that the mayor failed to aid the committee in any manner.

Steve Barsch said he would go with the people and \$40,000 of their money was being rejected. The \$100,000 master sewer and drainage program that had been engineered by Shepard, Morgan & Schwab, that to me was a re-

A variety show, with all local talent, will be held at 7:30 p.m. July 2, and from 8 to 11 p.m. the next night, an orchestra will play for a street dance on 29th and 30th streets near Niedringhaus school.

A special 2 to 5 p.m. matinee July 3 will have all rides available for 1 cent. An eight-team individual softball tournament will be held in conjunction with the affair.

The fireworks display is specially prepared for the park district and will include 18 set pieces and devices plus an extensive aerial display.

Brown said no tax dollars are used for the celebration which is financed by the sale of program book advertisements and receipts from rides.

jection of the engineer," Barsch added.

Sternberg reminded the council members the vote two weeks ago to employ Shepard, Morgan & Schwab was 14-to-2. He was called out of order as he began to upbraid Barsch.

Alderman William Durand said he was tired of the personality charges in council debates and that he did not care if the mayor or the engineer for Shepard, Morgan & Schwab could get along. He asked Bush, rich if even children voted against the firm in his 40,000 figure.

"You've been after me ever since I've been on the council," he said to Barsch, reminding the alderman that he had given up the tavern business which was in his family because of the council's stance. "It's not right but personalities."

Barsch disputed the 2% savings figure quoted by Sternberg and McGee, and said their attacks on Johnston was unwarranted. Whitmer answered that Johnston could have submitted a proposal but failed to present anything to the committee.

The ballot had been ready 45 minutes before the vote was called for overriding the veto. It was 9-to-5, failing to meet the two-thirds majority rule.

Voting to override the mayor were Donald Patrick, Paul Rutledge, Whitmer, Barsch, Ford Johnson, Clyde Boyd, McGee, Sternberg and Earl Thompson. Opposed were Cammer, Slubish, Barsch, J. D. Bergfield, Dallas and Moellen. Absent were Walter Nonn and Mrs. Gabrielle Beline. Nonn had voted against the resolution for hiring Shepard, Morgan & Schwab.

Text Of Veto

In his veto message Davis stated: "This is to give you notice of my veto to the resolution of April 27 concerning acceptance of a contract between the city and Shepard, Morgan & Schwab as motor fuel tax engineer."

"My reason for such action is that I feel the firm of David Johnston & Associates has in the past eight years given the city excellent engineering service and is familiar with the street program both past and future most than anyone else."

The mayor had called upon the Johnston firm at the time the Nanticoke sanitary sewer system they rejected the \$100,000 master sewer and drainage program that had been engineered by Shepard, Morgan & Schwab. That to me was a re-

COMMITTEE CHAIRMAN, M. Freeman Wolfe (left) conferring with Tri-Cities Area United Fund President N. R. Brink during Tuesday's UF board meeting at the YMCA. Wolfe was named to head the important admissions and distributions committee which will be recommending the 1964 campaign pool later this year.

UF Board Selects Committee Chairman, Replacement Veep

Replacement of a vice-president and appointment of the admissions and distributions committee of the Tri-Cities Area United Fund was carried out Tuesday afternoon during a meeting of the UF board of directors at the YMCA with N. R. Brink, UF president, presiding.

The board named Howard Wellman, plant manager of Neelco Co., to serve as vice-president for the remainder of 1964 and to replace James R. Harsh of Union Star and Refining Co. who resigned for business reasons.

Harsh had served a full year's term and was re-elected at the annual meeting in February, 1963. The interim business of M. H. Wolfe Co., contractors, was appointed chairman of the admissions and distributions committee. He was a member of the committee last year and also was chairman of the contractors section of last fall's United Fund drive. He has worked in that position since the inception of the United Fund. Wolfe has served on the UF board from 1960 to 1962 and was elected to a three-year term in 1963.

Other members of the committee are—Victor G. Anderson, Carl Baczenas, Julie D. Bartels, John Blinn, Ernest L. Corbin, Robert Gengler, Donald Hayes, William F. Hoelscher, Dr. Felicia Koch, Mitchell Milonak and Thomas Nesbit. Another member is yet to be named.

The committee will examine requests for allocations for 1965 by the services participating in the annual drive, and it will report its recommendations to the UF board.

Wolfe announced he would continue the committee for its original mission meeting on Wednesday, May 20.

Other business of the board meeting included announcement by Brink that the executive committee to serve until February 1965, would include Leo Konden, Carl Mathias and Ben J. Veit Jr., in addition to the officers and past presidents.

Two requests for adjustments in 1964 allocations were discussed and referred to the admissions and distributions committee for a report and later action by the board.

Twenty members of the board and five agency delegates were present, plus John Solenberger, executive director.

Tonnage Up 500,000 At Locks 27 for April

Freight tonnage last month was up 500,000 tons at Chain of Rocks Locks 27 over March, officials at the U. S. Army District Corps of Engineers, St. Louis, said today.

Tonnage for April was 3,004,240 compared to 2,500,460 for March and 3,079,727 in April 1963.

So far this year, 8,980,905 tons of freight have gone through the locks, a higher figure than the 7,880,168 tons for the same four-month period a year ago.

Commercial tonnage in April was as follows: petroleum products, 394,180; up, 255,750; down, 394,180; upstream, 205,700; downstream, 1,298,650; down; coal, 493,700; up; cement and gravel, 120,000; up, 14,250; down; sulphur 56,000; up; miscellaneous commodities, 271,710; up, 68,200; down; iron and steel products, 17,400; up, 72,050; down; and chemicals 117,150; up, 23,900.

A total of 4469 vessels went through the locks in April, more than both the 3570 passing through in March and the 4318 in April 1963.

The vessels included 793 commercial towboats; 2612 commercial barges, 36 private and recreational boats; seven U. S. tow-

Granite City's Traffic Accident Rate Continues Upward Spiral During April

Granite City's traffic accident rate continued its upward spiral in April when 124 crashes in which a youth was killed and 41 persons were hurt were reported by police.

The city's four-month total now stands at 516 crashes in the 121-day period—4.26 a day—and 131 more than in the same period of 1963. The normal rate of accidents has been three-a-day.

Bad weather was listed as a major cause in the increase in crashes, with 18 rainy days in April. Of the 124 crashes last month, 46 were blamed on wet pavement. In April 1963, there

were 99 accidents with 53 injuries between 20th and 24th streets.

The top day of the month for accidents was Saturday, April 19, when 28 accidents occurred. On the four Fridays, a total of 23 crashes were reported.

The most accident-prone hour during April was noon to 1 p.m. with 11 crashes, and second was 1 to 3 p.m. when 10 accidents occurred.

A breakdown of the accidents, injuries and deaths by month (in that order) follows:

January—134, 26 and 0; February—130, 35 and 1; March—128, 48 and 0; and April—124, 41 and 1.

Court Officials Get Details Of New Mental Health Code

"The basic philosophy of the New Mental Health Code for Illinois is to encourage early treatment and commitment for persons in need of psychiatric care," a spokesman for the Illinois Department of Mental Health said recently at Alton.

Jerome Goldberg, special assistant attorney general to IDMH, speaking at a special seminar at the Alton State Hospital, stated that anyone needing psychiatric assistance could obtain it easily, and without losing any of his civil rights, as was the case in the past.

Under the new document which became effective in July, a person may be admitted to a state hospital with little or no "red tape," he said. His reference was to the article which allows commitments without court proceedings, providing application is accompanied by medical certification.

Goldberg spoke to a group of judges, state attorneys and law enforcement officers who had been invited for the occasion from a county area in south-central Illinois.

The program was described as a unique feature of the new code, Goldberg noted, is the article which allows for informal commitment. Under this provision he said, an eligible person can be admitted voluntarily to a state hospital for a period of one or

Trades Council Warns Of 'Moonlight' Firms

A warning for Quad-Cityans to be careful in selecting a firm to repair roof and other damage caused by the April 2 hail storm was issued last night during a meeting of the Tri-City Trades & Labor Council.

The 48 delegates present for the meeting at the Labor Temple were urged to have their acquaintances make arrangements with local firms that hire union workers and carry insurance.

Edwin Reiske, council president, said a number of "moonlighting" groups are operating in the community, and he asked Quad-Cityans to either make arrangements through regular contractors and roofing firms or they could hire the work done by calling the Carpenters Union hall.

The council at its May 20 meeting will hear a school board member explain the May 25 bond issue election.

Parking Meter Receipts Down \$800 During April

Parking meter receipts in April were down \$800 from March and about \$600 from April 1963, according to figures released this week by John Doeber, Granite City comptroller.

April income was \$3082 compared to \$3842 for March and \$3665 for April of last year. Several new off-street parking lots opened in April.

Broken down, meter receipts were \$2833 last month, lower than both the \$3539 for March and the \$3529 for April 1963. \$140, also, for 26 days.

A Madison winner was John Washenko (lower photo), shown landing as he broad jumped 19 feet 9 inches. Bethalto won the meet.

Highland, Bethalto Outscore Madison; Four Trojans Win In Both Encounters

Trackmen of Madison high school lost a pair of home dual meets this week—87-52 yesterday to Highland and 68-50 yesterday to Bethalto.

Trojans End League Play With Defeat

Madison's baseball Trojans, scheduled for a pre-district tournament test with Granite City this afternoon, finished their Midwest Conference season with a 2-6 record.

Coach Earl McClanahan's squad lost on the home field Monday to Cahokia's Comanches 8-2. Meanwhile, Highland (4-0) clinched the title by defeating Roxana 13-11 after overcoming a 9-0 deficit.

The Trojans are slated to visit the Warriors at 4 p.m. today at Wilson Park in a preview of the first district game this Monday.

Eight errors and 11 walks enabled the Comanches, who had only three singles, to score most of their runs. Only one Cahokia run was earned.

Madison outlived the visitors with one big homer—two each by Mike Dillon and Tom Miller and five by Jim Cramer. Dillon also relieved starting pitcher Tom Williams in the fifth inning.

The Comanches finished with a 6-4 mark, good for second place. They won the title in the 1953 and Madison finished second.

This time, the Trojans ran last. Two postponed conference games with Bethalto will not be played.

Score by innings: O R E
Cahokia 101 330 0—3 3
Madison 000 101 2—2 3
Cramer, Anglin (4), Linn (6) and Kerr, Hartman (6); Williams, Dillon (5) and Nizinski (4).

Bethalto Whipped By Prather 78-31
Prather's ninth grade track team defeated Bethalto with ease Tuesday 78-31 on the lower track. The Chiefs won 11 of 13 sprints.

John Hagen tied the Prather school record in the 100-yard dash with a time of :10.6. He also won the shot put at 41 feet 10 inches, the 220 in :25.1 and joined Bill Davis, Dave Potts and Mike Barnhart in winning the 880 relay in 1:43.

Barnhart won the broad jump in 18.1 and the 880 in 2:12. Potts took the 120-yard hurdle over in :16.0 and the five-hurdle race in :51.1. Bob Horsley's 102 feet won the discus and Dave Schwendemann high jumped 5-2 to win that event.

Prather also won the mile relay in 4:02 with the team of Dan Wilson, Dave King, Jim Dolan and Ken Stronk.

In the eighth grade portion of the meet, Bethalto took a 91-18 victory.

Mercers Play Red Sox Here In I-C Battle

Both Granite City entries in the Southwest Illinois Inter-City Baseball League will try to take an early-season step upward in games Sunday.

Mercer-Pennell Home is scheduled to host Maryville's Red Sox at diamond No. 1 in Wilson Park while Sacred Heart travels to Roxana high school for a game without the Allwood Flyers. Both will start at 2:30 p.m.

The Mercers, chasing the Blue Division pennant, and the Hearts, playing in the Red Division, have 1-1 records after the first two weeks of play. Leaders in both divisions, Collinsville in the Red and St. Clair Heating of East St. Louis in the Blue, are unbeaten in two outings.

The Mercers-Maryville contest promises to be an offensive battle. In the opening two games, the Granite City club scored a total of 21 runs to 22 by the Red Sox, who also stand 1-1.

Sacred Heart's opponent, Allwood, has suffered setbacks to Collinsville and Maryville. The Hearts, after forfeiting their first game, rebounded Sunday with a 7-4 win over Troy's Red Birds.

In other games tomorrow, St. Clair is at Poohtas and Collinsville visits Troy.

Braves Triumph In Track Meet

Coolidge took both the ninth and eighth grade portions of a dual track meet Monday afternoon at Collinsville. The ninth graders won 76-33 and the eighth graders took a 71-29 decision.

Brian LeMay of the Braves ninth grade squad won both 120-yard low hurdles races—over 10 hurdles in :17.8 and five in :17.4. He also ran with Dean Jones, Dan Wilson and Terry Moore on the winning 440 team.

Keith Gauert finished first in broad jump at 17 feet 10 inches and the 100-yard dash with a time of :11.3. Gauert teamed with Joe Pashea, Bob Alford and Dave Lomax on the triumphant 880 team.

Other firsts among Coolidge's 11 were: Jimmy Gann, 106-6 in hurdles; Burt Murray, 9-6 in pole vault; Moore, 5-2 in high jump; Alford, 271 in 220 and Pashea, 39.9 in 440.

The eighth graders won 10 first places. Ron Sheppard took three of them, in the broad jump, hurdles and 440. Other individual winners were Jim Gilmore in pole vault, Tim Lane in shot put, Ed Hancock in the 100, Gary Reed in 220 and Dave Mullinix in the 100-hurdle race.

The Coolidge relay teams won the 440 with John Hommerl, Ricky Bartling, Phil Clemensen and Mullinix running, and the 880 with Sheppard, Reed, Russ North and Hancock.

In a ninth grade meet yesterday at Ferguson, Mo., Coolidge took a 71-24 beating. Only firsts for the Braves were in pole vault by Murray and in high jump by John Burgess. Reflecting the Mid-Missouri school's high-class talent was a shot put toss of 57 feet.

Moose Softball Team Has 8-Game Schedule

An eight-game schedule has been announced for the Granite City Moose Lodge 772 soft-splitch softball team in the District 10 League. Additional contests will be scheduled if a sixth team joins the league.

The opener for the locals is June 14 at Alton. Other games are June 21, Edwardsville here; June 28, Wood River here; July 12, at East St. Louis; July 26, at Alton; Aug. 2, Edwardsville here; Aug. 9, at Wood River; Aug. 16, East St. Louis here.

The games—all on Sundays—start at 3 p.m., with home games at Wilson Park. Raymond Arnold of the local lodge is league chairman.

DOWNSTATE FISHERMAN'S GUIDE

by C. A. FRAZER

(Compiled from area reports by the Southern Illinois University Information Service.)

A mathematician might be able to figure out a formula to express the ratio between bass on the lake, lines in the water and fish on the stringer, but veteran anglers of southern Illinois waters know the answer without resorting to Southern Illinois University's computer-weekendists.

All boat dock operators queried for this survey reported a heavy concentration of fishermen during the weekend and only a few fish brought to the dock.

During the week, it was different, with a few notable catches of bass, bluegill and crappie; however, only one bass broke the seven-pound mark, falling prey to a St. Louis angler, George Rose, using a plastic worm.

Water Becoming Clear

Creeks and farm ponds in Hardin, Pope and Massac counties are beginning to clear and fishing is expected to pick up there according to Bill Rottman of Granite City, who is at Poohtas and Collinsville gardens worms is still the best bait but Rottman said streamers (flies or surface lures) are scoring occasionally. The upper reaches of Lusk and Grand Pierre creeks are clear and yielding pan fish and an occasional bass.

Little Grass Lake continues to receive the heaviest fishing pressure and yielded the only seven-pounder. Bass weighing between five and six pounds were caught by a Chickasaw. Gene Vest of Marion and Bill Thompson of Carbondale, all on surface lures. A Johnston City angler camped at the lake reported 105 bluegill, green sunfish and crappie. The lake is clear and at spillway level.

Devil's Kitchen Lake had "pretty good" fishing during the week, with Bill Hill of Herrin taking his limit of bass (three straight) days on minnows and Chub Roberts of O'Fallon leading the size parade with a 5 1/2-pound bluegill and green sunfish are delighting the still fishermen. Moss beds are beginning to appear in the lake.

Surprising Catches

Lake Murphystown continues to surprise local fishermen. Al-

though it is still seven feet below the spillway and murky, Paul Castel of Murphystown took a 6 1/2-pounder on a medium running lure and six smaller bass on a surface plug. Joe Lichter of Murphystown took five bass ranging up to 4 1/2 pounds on a surface plug and Ben Connors caught three on a spoon. James Gillespie of Chicago took a 4 1/2-pounder on a medium runner. A Belleville woman caught the first redear sunfish of the season.

Lake of Egypt reports bass fishing fair, crappie good although small in size, catfish good, including a two-pounder, and bluegill excellent. A Carbondale fisherman who visited the lake last week said he had a picnic with small bass on a flyrod-size black streamer and small spinner, fished in the flooded woods at the southeast end of the lake. The lake is at spillway level and clear. A three-pound bass was the largest reported.

Corn Orchard Lake played host to speed boats, water skiers and the first sailboat race of the season during the weekend. Bank fishermen were numerous, many with well-filled sacks of panfish. Bass and crappie fishermen have been turning their favorite fishing spots, but no reports on catches have been received.

A student at Blackburn College, Carlinville, caught a seven-pound bass in a nearby farm pond, the location of which was withheld "for obvious reasons." The lake is the closest big water playground to Chicago.

Hoelscher, Mr. and Mrs. W. F. Hoelscher, Misses Clara and Ella Hoelscher and Edwin Hoelscher, all brothers, sisters and sisters-in-law of the honoree.

Absent were his son, William F. Hoelscher, and his wife, Millicent, who with their two small children were injured last Saturday at Tampa, Fla., in a traffic crash. Hoelscher said his son had been released from the hospital that day, and the family was expected to return home Friday. The son has succeeded his father as secretary of the Manufacturers Association of the Tri-Cities.

In addition to receiving a large loving cup which will keep for a year as the 15th recipient of the Civic Achievement Award, Hoelscher also was presented with a certificate which reads:

"The Associated Retailers and Civic Association's 1963 award for Meritorious Civic Achievement is presented to Gustav W. F. Hoelscher for extraordinary devotion and service to the civic, educational, cultural, charitable, patriotic and economic welfare of the people of the Tri-Cities."

"For his many years of distinguished leadership, far above and beyond the call of a private citizen, and for the tremendous contribution which he has made to the progress of the entire Tri-Cities area."

Dinner music was provided by Wilbur "Jack" Johnson, who played organ selections and the steak dinner was catered by Burns Catering Service. The program started promptly at 6:30 p.m. and ended at 8:45.

Wm. Hoelscher Family

SWB Reviewing City Application For Federal Grant

The city's application for a \$314,000 federal grant to be applied to the \$1,715,000 cost of a sewage treatment plant is in the hands of the state Sanitary Water Board, Granite City council members were advised Monday night.

C. W. Klassen, technical director, in a letter to the engineers, Sheppard, Morgan & Schwaab, called for additional copies of the firm's reports and stated that it probably would be August before the city would know if its application was approved.

Charles W. Klassen, technical director, in a letter to the engineers, Sheppard, Morgan & Schwaab, called for additional copies of the firm's reports and stated that it probably would be August before the city would know if its application was approved.

Klassen said in the letter that a favorable extension of time can be expected from the board if other schedules are met. Priorities for grants are to be designated by Aug. 1, and it is anticipated the city's treatment plant will be under construction then, he added.

The SWB wants two copies of the May 31, 1964, preliminary engineering report and the supplemental report of Oct. 21, 1963, along with three copies of the report showing a brief summary of the design of the plant and the quantities of domestic and industrial waste flow.

Mrs. Wendler Resigning County Advisor Post

Mrs. Elaine P. Wendler, home adviser in Madison county for the past 14 years, announced her resignation, effective July 1, at the 28th annual meeting of the Homemakers Extension in Highland Monday.

Mrs. Wendler, wife of Arthur F. Wendler, Troy attorney, came to Madison county 14 years ago and has since been on the staff of the University of Illinois Home Economics Extension with offices in Edwardsville. She has been in charge of the 4-H program also, with Mrs. Mary Knecht as assistant home adviser.

During the time Mrs. Wendler has been county home adviser, she has had several articles on her work published in the county paper and received the distinguished Service Award in St. Louis City last fall for her contribution to the extension program and for outstanding work with low-income families. After completion of college at MacMurray College and Iowa State University she worked at the University of Illinois as food supervisor for the Illinois program and in the housing division. After her marriage in 1949 she assumed her duties in the present capacity. She plans now to become a full time homemaker and continue to make their home in Edwardsville.

Vandals Damage Shed

Mrs. Nick Plymoe, 2108 East 20th street, reported that during the night vandals cut a roll of siding on the rear of a shed in the back of her property and damaged the side of the building, apparently by throwing rocks at it. The siding was newly installed, she said.

PREPARING DISPLAYS for next Wednesday's open house program at St. Elizabeth Hospital are, left to right—Mrs. Irene Pelan, president of the hospital Employees' Advisory Council; Sister Stanisla, former administrator and now librarian; and Miss Rose Bruenig, employees' council vice-president. The open house will be from 6 to 10 p.m. next Wednesday in the local observance of National Hospital Week.

National Hospital Week

'Open House' Next Wednesday at Hospital

A public open house at St. Elizabeth Hospital is to be held from 6 to 10 p.m. next Wednesday in the Quad-Cities observance of National Hospital Week. It was announced today by Sister Mary Thomas, hospital administrator.

Guided tours of the hospital facilities will be made available to the public and displays will be set up throughout the building to illustrate the functions of the departments.

The observance officially opens Sunday when the mother of the first baby born on Mother's Day will be presented with a layette and a bouquet of roses. In addition, the father will receive a 10% reduction on the hospital bill.

Carver Day will be held on Monday with 12 or 14 National Honor Society students from Granite City High school to be selected to run the hospital for the day.

Scholarship Awards

In addition, two Candystripers, Carolyn Hines and Mary Tourse, will be awarded scholarships for nurses' training by the women of the Hospital Auxiliary. Miss Hines is assigned to emergency room work and Miss

Tourse is in the pediatrics department. Employees' Day will be observed next Tuesday when those reaching five and 10 years service will be awarded service pins by G. W. Hoelscher, retired chairman of the hospital's lay advisory committee.

A doctor's banquet is planned for May 21, and the traditional Nurses' Tea was held last night. Shorter Stays For Patients. In opening the May 10-16 Hospital Week observance, Sister Mary Thomas pointed out, "A patient spends half as much time and gets better faster today in a hospital than he did 30 years ago."

"St. Elizabeth Hospital is joining other hospitals throughout the nation in observing National Hospital Week, held annually during the week of Florence Nightingale's birthday on May 12. The week is sponsored by the American Hospital Association to give individuals an opportunity to learn more about the hospitals in their community."

"Services, drugs and methods of patient care that were unknown a few years ago have helped reduce the average stay of a patient," Sister Mary Thomas explained. "Thirty years ago, the person who entered a hospital could expect to stay approximately 14 days. Today, he can anticipate a visit averaging 7.6 days, thanks to these methods of care."

"These improved methods," she explained, "are the result of scientific developments in health care, more efficient diagnosis and treatment, and higher medical standards."

"New triumphs of medical science means not only new supplies and equipment for the hospital but also require new skills for hospital personnel and new technicians to operate some of the advanced equipment. The doctor's orders today often call many trained teams into action."

"As this progress is made in medical care and hospitals become vastly more complex, they need not and more personnel to care for patients," she noted, explaining that for each 100 patients in the hospital, approximately 237 employees are needed.

"Although costs of hospital care have risen," Sister Mary Thomas said, "the patient is getting a bargain with the advanced methods employed today in hospitals. The patient is made more comfortable, recovers faster and returns to his normal daily routine sooner," she added.

Chamber For 13-Year Bonds, 25-Cent Education Rate Hike

An unsuccessful effort was made by the Chamber of Commerce at a special Granite City school board meeting Monday night to persuade the board to change its 40-cent educational fund tax increase proposal to 25 cents. The tax election will be held May 21.

Asked whether there might be organized opposition to the school tax referendum, Chamber Education Committee Chairman H. H. Hitt replied "No." He added, however, that Chamber members feel that there is more widespread public support for a 25-cent authorization than for the full 40 cents, maximum increase permitted by state law.

It was not previously disclosed what revisions would be suggested to the school board. In addition to the 25-cent rate plan,

Spring Festival Opens At Carbondale Campus

The annual spring festival starts today at Southern Illinois University, Carbondale, on the theme "Wonderful World of Fiction" and will conclude on Mother's Day, Sunday, when students' mothers will visit the campus as special guests for a picnic, horse-and-buggy rides, a tour train and other festivities. A number of Quad-City mothers are expected to attend.

A midway will be complete with sideshows, booths and displays. A talent show on Friday night will introduce 16 contestants for the title of "Miss Siren." The nominees will parade in bathing suits and formal gowns at the second round of the contest Saturday afternoon.

The winner will be revealed at midday Saturday. Activities also include balloting for the most popular faculty member, names of students elected to the Sphinx club, campus service organization, and naming of the outstanding freshman and sophomore of the year.

Price Pays Tribute To People of Poland

A tribute to the brave people of Poland was paid on the House floor Monday, by Rep. Melvin Price (Dem., Ill.). "This is the time of year," Price reminded the House, "when it has become the custom to remind ourselves that Poland is not yet free after world war II."

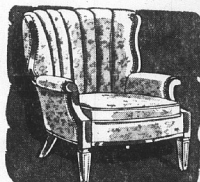

"Just 25 years ago, that war was made inevitable as Hitler and the old tyrant Stalin sent their armies to confront each other on Poland's land of democracy," he said. "Let us remember Poland when we speak of the right of all men everywhere to freedom and the natural guarantees of mankind—life, liberty and the pursuit of happiness."

Greek Catholic Church Gets New Pastor

A native Pennsylvanian, Rev. Michael Skordinsky, has been appointed pastor of St. Mary's Greek Catholic Church, 1312 Iowa street, Madison.

Rev. Skordinsky arrived at the Madison church from a pastorate in Muskegon Heights, Mich., where he served two years. He also has held pastoral positions in churches in Palmerston, New Kensington, Shenandoah and Pittsburgh, Pa., and in Pittsfield, Mass., and Wilton, N. D.

Born in Wilkes-Barre, Pa., Rev. Skordinsky attended Newport township, Pa., public schools, graduating from Newport high school. He is also a graduate of St. Thomas College, Scranton, Pa., and Angelicum University and Propaganda Fidei, both of Rome, Italy.

Appointed by Bishop Wyszynski of Chicago, he replaced Rev. Basil Banyo, who was assigned to a church in St. Louis.

SHED FIRE at the rear of the Salvation Army, 1421 Nineteenth street, is extinguished by the Granite City fire department Wednesday morning, but not before it damaged the porch of the two-story brick building. Loss was estimated at \$1000.

Continued Delay On Nameoki Road Project Reported

Appraisals and deeds are still delaying widening of Nameoki road, a report showed at the May dinner meeting of Chamber of Commerce directors Tuesday night at the Rose Bowl.

The Transportation and Highway Committee said it had made contact Tuesday with Arthur Kottenhof, head of right-of-way acquisition for the Illinois highway division in this district.

As of Tuesday morning, one of the property appraisals to have been furnished by the city of Granite City still has not reached the highway division. And 18 other appraisals had been returned to the city for correction and had not yet been resubmitted, the committee related.

Noting that the city is to purchase the right-of-way land and submit deeds to the highway division, the committee said it was informed by Kottenhof that no deeds have yet been received.

Florida Communication.

In other business at the Chamber board session, the city council of Granite City was commended for placing water fluoridation authorization on first reading the previous night. A letter expressing the board's views is to be sent.

An arewide industrial development program being proposed by St. Louisans was referred to the C. of C. advisory committee for study and a recommendation.

E. G. Schmitt, chairman, reported encouraging industrial development contacts in recent weeks.

President Chester L. Baker appointed Samuel Meyer as chairman of a committee to seek an executive director for the Chamber. Harlan Dobry, the current executive, is leaving May 18 to take a similar position in Kokomo, Ind. Committee members besides Meyer will be Paul Liebenberger, E. A. Karandjeff, Carl Mathias, Homer Huber and Freeman Wolfe.

Wolfe reported on the national

C. of C. meeting which he and Baker attended in Washington, D. C. last month and Mathias urged active participation in the annual membership drive Wednesday, May 13. David John, 2108 Waterman avenue, was accepted as a Chamber member.

It was decided to join with the Associated Retailers in conducting an open house at 1831 Delmar avenue, where the two organizations moved their offices during April. Date of the open house was not set. The two groups also will share the cost of purchasing an incinerator for the office building.

The Tourism Committee said a delegation will go to Springfield this month to urge installation of appropriate lights and signs at local Interstate Route 170 turnoffs.

It was reported that updating of the Granite City master plan is being proposed, and reports were heard from the Education Committee and Speakers' Bureau. It was announced that a downtown area cleanup committee is becoming active.

Dobry outlined plans for the annual Chamber "play day" May 26 and reported going to Memphis, Tenn., to urge that transferred Memphis Defense Supply Depot employees move to the Quad-Cities. About 175 of their jobs have been assigned to the Granite City Army Depot.

John Hoelter Graduated From Air Force School

Airman First Class John H. Hoelter, son of Mrs. Evelyn Bolan of 3720 Ruth drive, was graduated from the U. S. Air Force Noncommissioned Officer Preparatory School recently at Amarillo, AFB, Tex.

Airman Hoelter, who was trained in leadership and management, is a draftsman with the Air Training Command (ATC) unit at Amarillo. ATC trains airman and officers in the diverse skills required by the nation's aerospace force. He is a graduate of Granite high school.

SOUTH AMERICA STUDY

World Friends Sunbeams of Second Baptist Church met Tuesday afternoon to continue a study of South America. The children made gifts and cards for Mother's Day. Miss Evelyn Barnes, leader, told the story of a boy of Argentina.

Announcements were made about World Friends day camp. The children are to bring fruit to the next meeting for a community missions project. Margaret Yates, Allen Newberry and Bradley Crown gave closing prayer.

Refreshments also were served to Denise Whitson, Beverly Wilson, James Abner, Christine Smith, Donald Mayes, Johnny Snider, Gary Lewis, Robert Klehler and a visitor, Elton Olsen.

SIXTH BIRTHDAY

Mr. and Mrs. Jesse Burnett, 2028 Illinois avenue, entertained Sunday evening in honor of the sixth birthday of their son, Steven Michael.

Those attending were Mr. and Mrs. Arthur Bunn, Mr. and Mrs. Harold Fricke and son, Danny, Mr. and Mrs. Walter Rivoir, Miss Norma Jean Rivoir, Miss Betty Fricke, the honoree's parents and his brother, Cordell.

A birthday cake was in the centerpiece and was made in the shape of a train.

MINNESOTA VACATION

Mr. and Mrs. Ray Harper returned home Monday from a week's vacation in Grey Eagle, Minn., where they visited a brother-in-law and sister, Mr. and Mrs. Melvin Hiltunen and children, Lynn, Glen, Marty and Susan. They also visited Harper's brother and sister-in-law, Mr. and Mrs. Lester Harper and son, Kenneth, of Hammond, Ind.

BIRTHDAY PARTY

Mr. and Mrs. Harold Fricke, 2207 Missouri avenue, entertained Sunday with a barbecue and birthday party for Miss Edna Fricke, an aunt. Those attending were Mr. and Mrs. Ervin Fricke of Chester, Ill., Mr. and Mrs. Arthur Bunn, Miss Betty Fricke, George Fricke and Danny Fricke.

RETURN TO WEST

Mr. and Mrs. Jesse Burnett, 2028 Illinois avenue, had as guests Sunday Mr. and Mrs. Harold Moore and daughter, Valerie, of St. Ann, Mo. A barbecue dinner was the feature of the afternoon.

Frances Diaz Sunbeams of Second Baptist Church met Sunday morning during the church worship service, with Mrs. Harlene Sanders, leader, in charge. Bruce Crown led in prayer. The story, "Till," was told by Mrs. Sanders.

The children sang and Paula Elmore led in prayer. Those present were Jerry Stubbfield, June Kraus, Terry Moore, Laurie Austin, Janet Smith, Paula Elmore, Gary LeVault, Bruce Crown, Marty Austin, Tammy Bauer and visitors, Maxine Stubbfield, Nancy Sanders, Ronnie Bauer, Betty Singleton and Neva Powderly. Refreshments were served by the assistant, Mrs. Arlene Smith.

Mr. and Mrs. Robert Gan of San Leandro, Calif., returned home Monday following a visit with Mrs. Gan's grandparents, Mr. and Mrs. L. H. Rainwater, 2131 Dewey avenue, and other friends and relatives.

ANNIVERSARY DINNER

Mr. and Mrs. Charles Ignatz and Mr. and Mrs. Otto Buer celebrated with a joint anniversary dinner at the Ignatz residence, 1747 Maple street, Sunday evening.

Mrs. Ignatz served the guests a Hungarian dinner, and the evening was spent playing cards and games. Guests were Mr. and Mrs. Bill Buer and daughter, Debby, Mr. and Mrs. Otto Buer Jr. and sons, David and Robert, Mr. and Mrs. Richard Buer and children, Dana and Ricky, and Mr. and Mrs. Ignatz.

JUNIOR SCOUTS MEET

Junior Girl Scouts of Troop 160 held a weekly meeting Monday evening at the Washington school cafeteria with the leader, Mrs. Virginia Kessler, and co-leader, Mrs. Virginia Kessler and Mrs. Josephine Jung.

They opened with the scout song and discussed "Junior Fun Day" May 9 at Camp Lakota. They made plans for entertaining Brownies, and discussed a cookout for June 1 at Wilson Park. The 39 scouts and leaders closed the meeting with "Taps."

The Lincoln Place Mothers' club will hold a monthly meeting at 7 o'clock this evening at the Granite City park district community center.

Mrs. Katie Wagner, mother of Mrs. Walla Saucis, 1630 Spruce street, entered St. Elizabeth Hospital Tuesday morning for treatment.

A man must have trains of thought in these days of rapid transit.

Girl Scout 'Funday' At Lakota Saturday

About 400 Girl Scouts from District Four, covering the Quad-Cities, will hold a "funday" Saturday at Camp Lakota near Glen Carbon, according to Mrs. Richard Oram, chairman of "swaps," folk dancing, hiking and a noon cook-out.

Buses will leave at 9:30 a.m. on six buses leaving from several locations in the community: Lutheran Church, with a stop at St. John E & R and added that among their activities will be a flag Emerson school and Market and ceremony, an exchange of Weaver streets, in Venice, with 4:30 p.m.

Charged with Theft

Larry G. Camper, 20, of 1809 Third street, Madison, was charged with theft of less than \$30 at 9 a.m. Wednesday in connection with meat and bread taken from the Park-N-Eat restaurant. He appeared at the station voluntarily at the request of the police.

TALENT SEARCH FOR STATE FAIR

A statewide search for young musical talent in the vocalizing field is being made by the Illinois State Fair, Inc. for its 1964 exposition.

Franklin Rust, general manager of the fair, announced the first competition between vocal groups will be held on the opening day of the fair in conjunction with the "Calvalcade of Music".

Information and applications may be obtained by writing to L. J. Conaway, Cavaleade of Music, Illinois State Fair, Springfield, Ill.

The 1964 Illinois State Fair will open on Friday, Aug. 14, and continue through Sunday, Aug. 23.

620,000 CATTLE

There were 622,000 cattle and calves on feed for market in Illinois on April 1. This is nine per cent below the 684,000 on feed a year ago, according to a report from the Illinois Cooperative Crop Reporting Service.

Markings of grain-fed cattle during the past three months were 13 per cent more than marketed during the same period a year ago, according to the report.

Wood Candelabra Created Here Presented To SWIU

He took a few old limbs, some tools and a few ideas, plus some time, and came up with an unusual, artistic candelabra.

It is one of many pieces made by Edward E. Cummins, 4050 Lake Drive, Pontoon Beach, who presented the work yesterday to Southern Illinois University.

It was accepted by Edward Hume, superintendent of landscaping on the Quad-City-Edwardsville campus of SWIU.

The wood came from a huge, century-old Elm tree which was located along Bluff road adjoining the campus. The university reluctantly removed the tree, a landmark, last fall as it became a danger to property and to traffic along the road as it was diseased and dying.

Cummins, who is retired, does woodwork as a hobby and obtained permission to remove parts of the tree. He said that only a few dry limbs remained on the ground. The university will determine later where the

candelabra is to be displayed.

Cummins has many wood objects at his home and has his system copyrighted. He has "fiddled around" with sculpture and sketches most of his life, and the hobby is useful today in keeping him busy.

He has other ideas in mind. A local television dealer has obtained some walnut from an old St. Louis home built about 150 years ago, and he is planning to make a candelabra set for presentation to the city of St. Louis in honor of its bicentennial celebration.

Cummins has something similar in mind for some of the basketball hats broken at Busch stadium. "It would take four broken hats for a candelabra set," he said, "and Mr. Busch would have something to put in his new stadium."

Await Chicago Action On More Housing Units

Specifications for a second 100 apartments for the elderly at the Anchorage project have been filed with the Public Housing Administration regional office in Chicago, it was noted Tuesday night during a monthly Granite City Housing Authority meeting presided over by Chairman Walter Pfaff.

Election of 1964-65 officers was scheduled for a dinner meeting at 7 p.m. May 19; the location is indefinite. Reports Tuesday showed repairs are continuing on extensive April hail damage to Kirkpatrick Homes rooms and windows. Kirkpatrick youths will be represented at the Governor's Conference on Youth May 14-15 in Chicago.

CANDELABRA FASHIONED from wood of one of the oldest elm trees in Illinois was presented to Southern Illinois University yesterday afternoon by Edward E. Cummins (right) of 4050 Lake drive, to Edward Hume, SWIU horticulturist. The tree, more than 100 years old, was located on the campus just off of Bluff road.

YOUNG ADULT DINNER

"Christian Mothers" was the lesson for a monthly meeting of the Young Adult Missionary Society at First Methodist Church Monday afternoon. A pot luck dinner was served, with Mrs. Eva Clemens and Mrs. Avis Richardson as hostesses.

The lesson by Mrs. Thelma Black was tape recorded by two of the members and played back. Members present included Mrs. Lorraine Croughn, Mrs. Betty Ballentine, Mrs. Mary Beasley and Mrs. Doris Paterson.

Guests: Maxine Goldbeck, Mrs. Louise Ebersoldt, Mrs. August Withaus, Mrs. Juanita Cave and Mrs. Agnes Butkovich. During the business period, plans were made for the group to purchase a vacuum cleaner to be used in the church.

Miss Judy Battner served as junior bridesmaid with David Miskelly as her escort, in the May 2 wedding of Miss Sandra Consilio and Marshall Skinner. Out-of-town guests included Mr. and Mrs. Howard Foltz and Mrs. Marie Spangler of Mount Vernon, Ill.

CONFIRMAND HONORED

Arthur Ratkewicz confirmation was held Sunday afternoon at St. Mary's Catholic Church, with Bishop William A. O'Connor officiating. Mrs. Gene Zelinski was sponsor.

Mr. and Mrs. Anthony Ratkewicz, parents of Arthur, Andrew, Anthony, Allen and Aloysius, served a buffet supper in their home, 1608 Fifth street.

Guests enjoying the afternoon and evening were Mrs. Nettie Grogowski and Mrs. Hattie Ratkewicz, the grandmothers, and Mr. and Mrs. John Kelemite and daughter, Karen Ann, Mrs. Ann Grogowski and son, Richard, and daughter, Jeanette, Miss Frances Steinman, Jim Fox, Mr. and Mrs. Leonard Grogowski and son, Leonard Michael, a goddaughter, Mary Ellen, Mr. and Mrs. Ony Pasheba, Mr. and Mrs. Aloysius Zelinski and son, Gene, and daughter, Vicki, Miss Judy Rogwieski and Mr. and Mrs. Michael Ratkewicz and daughter, Barbara, and sons, John, Chuck and Tony. Gifts were presented.

CONFIRMATION DINNER
Mr. and Mrs. Edward Lelelewski, 1621 Third street, held a dinner in their home Sunday afternoon after the confirmation of their daughter, Sharon Ann, Bishop William A. O'Connor administered the confirmation and Sharon Ann was given the name Elizabeth.

Those arriving at the Lelelewski home after the confirmation at St. Mary's Catholic Church were Mrs. Irene Baker, the sponsor, Mrs. Helen Merski, grandmother, and Mr. and Mrs. Thomas Abernathy, Mr. and Mrs. Ben Grzeszczyk, Mr. and Mrs. Wilbert E. Niepert and children, Cindy and Edwin, Mrs. Jeannette Grogowski, Mrs. Mary Frances Thebaud and Ronald, Leonard and Linda, brothers and sister of Sharon Ann.

A buffet dinner was served from tables centered with a large cake topped with a Bible. Many gifts were received.

Industrial Safety Meeting Set June 3 at SWIU Alton

The fourth annual area industrial safety conference co-sponsored by Southern Illinois University, the Madison County Safety Council and the St. Louis chapter of the American Society of Safety Engineers will be held Wednesday, June 3, at SWIU's Alton center.

Planned for industrial supervisors and safety engineers, the one-day meeting will have as its theme, "Safety and Profit".

Keynote speaker in the morning general session will be Stanley Young, associate professor in management, St. Louis University, who will speak on, "Profit Maximization in Safety Decision Making".

E. Clark Woodward, safety director for the A. A. Smith Corporation, Milwaukee, Wis., will speak at a banquet in the Lewis and Clark restaurant in East Alton to conclude the conference.

Others on the program include Clarence W. Stephens, SWIU vice-president; C. M. Fletcher, Pierce, Monsanto Chemical Co., and president of the St. Louis chapter, American Society of Safety Engineers; and Marvin S. Baird, Shell Oil Co., and president of the Madison County Safety Council.

Business Expert Will Speak at SWIU May 13

Quantitative Analysis in Business Administration will be discussed at Southern Illinois University Wednesday, May 13, by Dr. E. Wainwright Martin of Indiana University.

Professor of business administration, Martin is also director of the Research Computing Center at Indiana University and author of several books, among which are his "Management Decision Simulation" and "Electronics Data Processing: An Introduction".

Sponsored by SWIU's Business Division, the talk will begin at 8:30 p.m. in the auditorium in Alton.

A music festival is to be held Sunday at 3:30 p.m., at the First Methodist Church, sponsored by the church choir.

Special numbers by members of the church will be given by Mrs. Betty Ballentine, Mrs. Ruby Koller, Mr. and Mrs. Wesley Clemens, Mr. and Mrs. Louis Croughn and Rev. and Mrs. Eugene Beasley, with Glenn Ritzler at the organ. Numerous selections will be sung by the choir.

May Named to Bi-State

Dr. Otto Kere, one week appointed Roy J. May, a Waterloo insurance man, to the Bi-State Development Agency, replacing Charles Ross, who recently retired due to ill health.

Concurrent morning and afternoon sessions will give participants a change to swap ideas and discuss communications in safety, use of accidents, workers' compensation, and safety supervision.

Registration is at 8:15 a.m. in the university's student union building at 2809 College avenue in Alton.

Reservations for the conference will be accepted until May 22 at the office of E. R. Castevens, supervisor, Technical and Adult Education, SWIU, Edwardsville.

Cooperating in planning the conference are the Quad-Cities Safety Council and the Safety Council of Greater St. Louis.

Arrest Man For Forging Checks Totalling \$730

A deceptive practice charge was filed by Venice police Tuesday against Sheriff Hall, 22 Brooklyn, who allegedly filled out four blank checks for a total of \$730 and forged the signature of Rev. R. C. McCarthy, pastor of St. Mark's Catholic Church, during the past three weeks.

Hall, who was still in custody today, had been working for which the parish but was discharged last weekend.

Committeewomen Elect

The Granite City Democratic committeewomen's organization, meeting Tuesday night at the town's home supervisor's office elected as officers for two years Mrs. Alice Walker, president; Mrs. Sue Lewis, vice-president; Mrs. Julia Lancaster, secretary; and Mrs. Agnes Baranick, treasurer. Eighteen attended.

Young People Are Needed To Aid Mental Patients

"Mental patients need the warmth, enthusiasm and ability of youth," the supervisor of volunteer services at Alton State Hospital said Wednesday.

Mrs. Marjorie Dintelmann currently is urging young people throughout the area to enlist in the hospital's volunteer program. She is directing her efforts toward both college and high school students over 16 years of age.

"An opportunity for service awaits the teenage volunteer who is willing to give three hours each week to others," she stated.

Junior volunteers perform various functions at the hospital under the supervision of staff personnel. They may assist in unit activities with occupational and recreational therapy. Other assignments may include visiting with elderly, infirm patients and taking wheelchair patients out on the grounds, reading books to them or joining them in card games or other play activities.

Mrs. Dintelmann said many of the young workers found volun-

teer work excellent experience for aiding in getting better jobs. In some instances, she noted, it helped young people learn to work with others which they should prepare. In addition, she continued, it provides a sense of accomplishment in helping a handicapped person to have a happier existence.

Persons interested in joining the program may contact the volunteer office at the hospital. At that time, an appointment will be made to talk privately with Mrs. Dintelmann about becoming a member. Applicants must have maintained a "C" average in school.

Mrs. Dintelmann urges internships before June 8 since orientation training classes for new volunteers begin just two days later in the Nurses' Residence. Sessions will be held Wednesday, June 10 from 9 a.m. to noon, and on Thursday, June 11 from 9 a.m. to 2:30 p.m.

In these classes doctors will discuss various subjects chosen to give the volunteer an overview of the hospital and the young workers found volun-

MOM'S THE WORD

Why doesn't every store sell U. S. Choice Beef? U. S. Choice sides of beef cost more . . . in addition Cohen trims off as much as 25 percent waste bone and fat, leaving you the most tender and flavorful meat money can buy. Of course, not everyone buys COHEN'S BEEF, only those who want the very best.

MASTER POINT DAY FOR DUPLICATE BRIDGE CLUB
The Granite City Duplicate Bridge club met Monday at 10:15 a.m. at the Rose Bowl for master point day with Mrs. Sam Meyer as instructor.

First place went to Mrs. Blanton Tiller and Mrs. Ted Schaefer, second place to Mrs. William Selbold and Mrs. Irvy Todd, third place to Mrs. George Morgan and Mrs. Lucian Dressler, and fourth place to Mrs. George England and Mrs. Granville Collins.

Basic bridge classes are held Tuesday at the YMCA at 7:30 p.m. with Sam Meyer as director. Each Wednesday at 7:30 p.m. the Night Duplicate Bridge club meets at the YMCA. The public is invited to attend the activities.

METHODIST WOMEN'S INSTALL OFFICERS
The Women's Society of the Nameoki Methodist Church held an installation of new officers Monday evening at the church following a monthly business meeting.

Mrs. Mayne West, president, conducted the business session and Mrs. Vivian Gluka gave the devotion, assisted at the piano by Mrs. Irene Pierce.

Mrs. La Ann Briner was in charge of the program, "Voice of Givers," assisted by Mrs. West, Mrs. Ann Haley, Mrs. Mildred Nance and Miss Morene Groshong. Mrs. Briner also conducted a pledge service. Mrs. West presented the chairman of the nominating committee, Mrs. Dorothy Luckert, who proposed acceptance of the newly nominated officers.

Rev. Frank Pierce, pastor, conducted the installation service. Officers for 1964-65 are Mrs. Earl West, president; Mrs. John Luckert, vice-president; Mrs. Clyde Sawyer, recording secretary; Mrs. Byron Briner, treasurer; Mrs. Frank Pierce, children's work; Miss Morene Groshong, Christian social relations; Mrs. Howard Best, literature chairman; Mrs. John Luckert, missionary education and service; Mrs. Bernice Heit, promotion; Mrs. George Gluka, spiritual life; Mrs. Willard Hancock, student work; Mrs. George Nance, supply work; Mrs. Roy Baumberger, youth work; Mrs. Milton Haley, local church actor; Mrs. Stanley Young, publicity; Mrs. Clarence Wallace, membership; Mrs. Groshong, nominating committee; and Mrs. Young and Mrs. Homer Blumenstock, Quasi-City council representatives.

Refreshments were served by Mrs. Fay Bess and Mrs. Luckert at the close of the meeting.

COMMUNION BREAKFAST FOR ALTAIR SOCIETY
The Holy Name Society of St. Elizabeth Church served a communion breakfast for the Altair Society Sunday morning in the school cafeteria.

Seventy-four ladies attended and decorations were in pink and white for the month of May and the Blessed Mother, Mary. Rev. Lawrence Mattingly, pastor, gave the blessing followed by a reading entitled "This is Today," given by Mrs. Ruth Malotki.

Mrs. Helen Favier recited "A Wonderful Mother" and Mrs. Mary Noeth read "The Rose Sermon."

Following the breakfast, Mrs. Ann Pare, Altair Society president, introduced Mrs. Gabrielle Betine, guest speaker, who spoke on the "True Meaning of Motherhood." After the topic, Mrs. Betine was presented with a Madonna symbol by Mrs. Arlene Naglich on behalf of the Altair Society.

Other presentations went to Mesdames Tillie Rickert, Tillie Kleimier and Bertha Becker and to charter members, Mrs. Mary Frizzell and Mrs. William Rapp. Mrs. Catherine Leik received an arrangement of pink roses in a walnut vase, prepared and made by Mrs. Vera Carver.

In the closing, Mrs. Pare gave a reading entitled "The Golden Rule" and Rev. Mattingly offered prayer.

DOUBLE FIVE MEETING AT COTTELL HOME
Mrs. Carol Cottrell entertained the Double Five club in her home Tuesday evening. All the guests participated in games and all were awarded prizes.

Refreshments were served to Mesdames Carmen Grider, Jo Ann Imboden, Judy Jones, Beverly McEwen, Elaine Parrish, Jo Ann Stirling, Lucretia Wright, Dolores Zeugin, Joan Pfeiffer and Sandy Cuvart. The next meeting will be held at Mrs. Sandy Harper's home Tuesday, June 2.

SENIOR SCOUTS' COMBINED MEETING
Senior Scout Troops 224 and 280 held a combined meeting Tuesday afternoon at Nameoki Presbyterian Church. Mothers of the girls were present.

Preliminary plans were made for a trip to Washington the troops hope to take next summer. They discussed hotels, bus transportation and food. The plans are ready to be submitted to the River Bluffs Council for approval.

The troops separated and held individual meetings and each troop formed patrols.

Troop 280 discussed a senior board meeting held last Sunday. The new delegates are Marie Greve and Sharon Waggoner.

The girls made tentative plans for a senior conference at McKendree College, Lebanon, next spring. Also mentioned was a three-day campout at Camp Lakota next fall.

The troop is planning a swimming party this summer. It was announced that a Christian national roundup will be held in Idaho in 1965. Qualifications were discussed and interchanges of opportunities were discussed. A chicken supper will be given May 17.

Present were Sandy Brown, Sheila Coggins, Marie Greve, Nancy Herman, Mary Ann Kier, Sharon Koch, Christine Louis, Barbara Lane, Judy Phillips, Karen Maas, Kathy McCall, Sharon Waggoner, Sara Wilson, Tina Bywater, Mrs. Shirley Brown and Mrs. Margaret McCall. Mothers present were Mesdames Doris Greve, Hilred Koch, Maxine Maas and Bywater.

Troop 224 discussed raising money for the trip to Washington. It is also planning a campout for the last of May in Marine, Ill.

Those present were Lauren Stegle, Charlotte Weiss, Barbara Barton, Marie Burgess, Jean Line, Jo Ann Ellberg, Debbie Slay, Melodie Willis, Kathy McDonald and Deanna Harris. Mesdames Mary Bondegard, Evelyn Line, Julie Barton, John Burgess, Bud Kenison and Raymond McDonald and the leader, Mrs. Mary Kay Stegle.

Refreshments were served to all the girls. The next meeting will be May 19 at the church.

INSECTICIDES NECESSARY IN COMMERCIAL GARDENS

Commercial vegetable gardeners must use insecticides that give maximum control of insects for the least money and still comply with federal and state laws governing residues and marketing of the produce.

The home vegetable gardener does not have to comply with, and usually may not be aware of, the laws governing food production. He may disregard labels completely. During the past several years there have been only two recorded instances in the United States where illness followed consumption of vegetable greens produced in home gardens. The illnesses, not fatal, were attributed to excessive and incorrect use of pesticides, with complete disregard for the label instructions. Chemical tests showed residues several hundred times greater than the permitted amount. This excess would not have occurred if the label directions had been followed.

To prevent such occurrences, we are simplifying our home vegetable garden insecticide recommendations, in line with the recommendations of our state extension entomologists. We will recommend to the home vegetable gardener only three comparatively safe insecticides. This simplification will not always provide the home gardener with the best or cheapest control, but in most instances it will provide satisfactory control with maximum safety. It will also enable the dealer who primarily serves the home gardener to simplify his stock of insecticides.

The home gardener's insecticide arsenal can be limited to these three insecticides: dibrom (also called malathion, malathion and seven (also called carbaryl)). These three materials have an excellent margin of safety, and they will control a wide range of insects. The interval between application and use varies with the vegetable, insecticide and rate. The label gives these intervals, which vary from 1 to 14 days with malathion, 1 to 4 days with dibrom and 0 to 14 days with seven.

Dibrom is recommended to control cabbage worms on cole crops and aphids on some crops. The more water, the better the results will be when using dibrom. Malathion is for aphids, mites, leafhoppers and several other vegetable pests. Seven can be used to control cutworms, armyworms, leafhoppers, Mexican bean beetles, corn earworm, tomato pests, vine pests and many beetles and worms. For detailed directions for use, read the label.

HOGS, SOYBEANS TOP FOR INCOME

Hogs and soybeans share the brightest income spots of any farm products in the coming year. Dairy and corn prices will probably show little change, while beef should stay below the level of recent years, says L. H. Simen, University of Illinois extension economist.

Better than usual hog prices should be the rule for the next year, especially next fall and winter. Hog producers have indicated that they will cut farrowings about 6% this spring and about 13% this summer. Lighter marketings should help keep hog prices at least as high as last year's and probably \$1 to \$2 higher.

Soybean production has not kept up with demand since 1961. Growers have indicated that they will increase soybean plantings about 8% in 1964. Since last year's carryover was not great, the new record-high acreage should result in a satisfactory increase in demand.

Dairy farming, the most stable of our livestock farming operations, will see little change in prices, costs and profits. Dairy cow numbers are still declining, but the sharp drop in beef prices last year will slow the shift from dairy to beef on many farms.

TRACTOR GREATEST HAZARD ON ILLINOIS FARMS

Last year farm accidents claimed the lives of 236 Illinois farm people. Many of these deaths were caused by improper use of tractors and guns.

One of the greatest farm hazards is the tractor. Although the tractor is the most useful machine on the farm, it's also involved in the most accidents. Last year three out of ten accidental farm deaths in Illinois were caused by improper tractor operation.

The most serious accidents occurred when the tractors tipped over. Last year 43 farm people lost their lives in this way. Farmers can prevent tractor accidents by keeping tractors away from ditches, cutting down speed before making turns and keeping the brake pedals locked together when driving in road gear.

Guns were the other serious cause of accidental deaths. Last year guns caused one-fourth of all the accidental deaths in Illinois. In many cases the gun was thought to be unloaded—until it really wasn't.

BIOLOGIST TO CONFER ON PONDS AT EDWARDSVILLE

The district fishery biologist of the State Department of Conservation, Roy Lockart of Vandalia, will be at the Farm Bureau in Edwardsville on June 3, between the hours of 10 a.m. to 12 noon and 1 to 4 p.m., to consult with farmers and landowners on problems of pond management. He will answer questions

POLIO IMMUNIZATION make-up clinic Wednesday afternoon in the second floor lobby of the city hall where 2784 persons lined up for their second oral doses of the vaccine.

Polio Vaccine Make-up Given to 2784 Persons

The second dosage of oral polio vaccine was taken by 2784 persons at yesterday's make-up clinic in the city hall, according to Mrs. Nina Bigley, county chairman of the immunization drive. Last Sunday, 26,210 Quadrants took their second dosages of the vaccine.

Mrs. Bigley said donations totaled \$7950 and will be used to pay for the vaccine. "The drive was a successful venture for the more than 26,000 residents in the community who took advantage of it," she added.

Thirty volunteers, including doctors, nurses and pharmacists, manned the station yesterday from 4 to 8 p.m. Persons who missed the make-up should see their family physician for their second dosage, because the immunity will not be complete unless both dosages are taken, Mrs. Bigley said.

ens—10 gallons per 100 birds per day. How much water does your farm need?

YES... YOU!

Madison county 4-H club members are invited to attend the Western Illinois 4-H Club Camp at Jacksonville. Older members will go to camp June 29 to July 3. Younger boys and girls, 10 to 13 years old, will attend August 3 to 7. A weekend camp for older members is scheduled for July 12-16. Notify the county office if you want more information.

Insufficient water caused a grave problem last winter and the same problem could recur on your farm this summer. Do you know your daily water needs? Here are a few guides for daily water consumption: Each person—50 to 100 gallons per day; beef cow—15 gals.; dairy cow—20 to 30 gals.; hog—5, sheep—3, chicken—1.

Committees Of Venice School Board Appointed

Committees were appointed, a superintendent's report was given and letters from the Congress of Racial Equality were received at Monday night's meeting of the Venice School Board.

Michael Leatherman Jr., president of the board, appointed Roy Musick, chairman, and Harold Siebert and John Gonterman to the building committee; Eugene Elgin, chairman, and Fred Durrer Jr. to the purchasing committee; Siebert, chairman, and Lester Salem and Fred Durrer Jr. to the personnel committee; and Salem, chairman, and Durrer and Elgin to the finance committee.

The superintendent, John Pier, said that two high school teachers, Mrs. Mary Thompson, business teacher, and Mrs. Norma Holtcamp, English teacher, had submitted their resignations. Both were approved.

Summer Study
He added that Robert L. Hendrickson, foreign language instructor, has received a fellowship to the French Intermediate Summer Language Institute at Stillman College, Tuscaloosa, Ala., and that Miss Alice Purdes, music teacher, will study at the University of Paris this summer.

He told the board that rider high school band uniforms, some as old as 20 years, have been sold for \$150 to William Cavallo, former Venice band director, to be used at a St. Louis county junior high school. An April report for all schools showed 92.6% attendance.

Pier suggested to the board that the school system continue the same birthday for a youngster's entrance into kindergarten. The recommendation was approved. To enroll in kindergarten, a boy or girl must be five-years-old by Dec. 31 of the year he or she enters school.

Discuss GED Extension
He also suggested continuation of the General Educational Development program through the summer, but the board held off its decision until the next meeting. Pier said that there currently are 40 persons enrolled in two classes in the program.

"Sometimes, passing the high school equivalency test means the difference between having and not having a job," he went on.

John L. Wooten, a representative of CORE, gave each board member a letter from Rev. O. S. Eridge, president of the Madison branch of CORE, addressed to Leatherman, calling for the resignation of Super. Pier, asking the board to hire a Negro teacher in every other grade in elementary and high schools and blaming the former board president, Salem, for the school system allegedly operating "in the red."

In the letter, the board also was criticized for discharging an employee. No action was taken by the board on the letter.

Fund Transfers
In other business, the board transferred \$70,000 from the working cash fund to the educational fund and \$1000 from the educational fund to the transportation fund.

The board approved payments of \$825 to the Granite City Glass Co. to replace school windows that vandals had broken; \$1891 for a three-ton air-conditioning unit with sound absorbers, duct work, registers and grills to the Triangle Heating Co. Mitchell, for the Venice school foreign language laboratory; and \$55 to Marshall Stevens, insurance appraiser from Chicago, for updating a survey of school property values, last made in April 1963.

The board also voted to retain for 1964-65 all non-teaching personnel their prevailing wages and decided to attend the senior class party held last night at Venice high school.

Next meeting of the board will be held June 1.

50 YEARS AGO
Granite City Press-Record
The new City Council in Granite City started its first session Tuesday evening with a stormy session. The agenda included the American Steel Foundry strike and rejection of Mayor Kirkpatrick's appointment of a police chief, a fire warden and three patrolmen.

The 28th annual conference of the Southern Illinois Division of the Girl Scouts of America, held at St. John's Evangelical Church, Niantah, with Rev. Phelan as host pastor and Rev. B. H. Leemann of New Orleans as opening speaker, there are 350 delegates.

A building committee composed of William Kasper, Fred Wagner, R. Radcliffe, Frank Sanders and Fred Wedig was formed last evening by Lodge 1127, Fraternal Order of Eagles, to promote construction of a two-story brick home with basement on 19th street near G street, where the lodge owns a 100-foot-wide lot. Plans have been approved by Architect Ed C. Pauly. Estimated cost is \$15,000.

MONDAY, MAY 8, 1939
At the annual election of officers of the local order of Eagles, Eugene Sheppard was re-elected worthy president.
Other officers chosen were: William Prewitt, vice president; H. Kent, chaplain; Hugo J. Jand, secretary; Charles R. Ritchie, treasurer; John Shearer, trustee for a three-year term; Moses Cooper, inside guard, and Alex Schenckel, outside guard.
They will be installed on June 7. A committee of the lodge reported that all arrangements have been completed for a meeting with the ladies' auxiliary May 14 at the Eagles home on Madison avenue.

In an elaborate ceremony attended by 60 couples, Alfred T. Smith was installed as president of the Granite City Optimist club Saturday night at the Madison County Country club. He succeeded Ralph E. Rakestraw.
Other new officers installed were Sam Meyer, treasurer; Leroy L. Lash, sergeant-at-arms; John G. Tate, chaplain; and A. Wilson, secretary. Members of the board of governors inducted were H. W. Hinnrich, T. E. Graves, Lucien Dressel and Ed. Fred Elmore.
Following the ceremony, there was a buffet luncheon and music and dancing.

Concluding a membership campaign held the past two months by the Junior Epworth League of the Madison Methodist Church, a party was given by the league team for the winners. The party took place in the church and Miss Gladys Ridgeway, league sponsor, was honored.
Mr. and Mrs. J. J. Lahrey, 501 Madison avenue, Madison, had as their guests over the weekend the former's relatives, including Mr. and Mrs. Edward Lahey and Mrs. Edward J. Jr., of Round Lake, Ill.

Mrs. Garnet McGovern, assisted by Mrs. Bernice and Mrs. Alma Reimle, entertained the Wesleyan Guild of the Nieringhaus Memorial Church Friday night.
There were games and contributed the state convention of the church and Mrs. Ralph Bailey.

Mrs. Pearl Kirkpatrick, Mrs.

PRE-SCHOOL CLASS
HAPPY TO CHILDREN
To the Editor:
We, the mothers of the preschool class, express our appreciation to Mr. Bardsong and to the Granite City park district board of directors for their attention, love, understanding, and training given to our children.
We feel they are much more prepared for school and for dealing with other children as a result of their time in class.

SPENDING, FALSE RUMORS LED TO PRECINCT LOSS
To the Editor:
On the April 14 election in Ward One, Precinct Three, protests made to the precinct board that Altemus Dallas had hired a woman from Altemus as an election worker are not true. It has been determined that the money was for other services. This is not true.

This year,
Atrazine spray is the way to control weeds in corn

If you've been using granular Atrazine in the past, switching to Atrazine spray this year will do an even better job of controlling most annual broadleaf weeds and grasses in your corn. Because spray does the job better, granular Atrazine has been discontinued. You'll find that an Atrazine spray will cut your weed control costs substantially—while doing a more thorough job of weed control.

Spray efficiency and economy
When you spray, you get better coverage, because spray won't collect in pockets, as granules do, leaving untreated areas. (Where seedbeds are rough, this can be a real problem. With spray you know that every square inch under the nozzle is covered. You can spray Atrazine, either when you plant, or until weeds are about 1 1/2 inches high, and get season-long control. Compare the cost of Atrazine spray with any granular herbicide program you can use. You'll find your savings would actually pay for having the spray custom applied. If you plan to spray Atrazine yourself, don't be concerned

about equipment. Most low pressure sprayers in use on farms can be used to apply Atrazine 80W, with slight modifications.

No residue problem for soybeans
Atrazine 80W spray minimizes the risk of carryover to soybeans that follow corn. Atrazine, sprayed according to label directions and precautions, gives you protection from the residue carry-over problem caused under certain conditions by granular Atrazine.

This year, see how a single spray of Atrazine 80W can give you a full season of the best, most economical weed control you've ever had.

\$10,500 Borrowed for Town Fund; \$424 Balance May 4th

A \$10,500 tax anticipation warrant for the township town fund was approved Monday night by Granite City council members in their capacity as the township board of auditors. The money is to be borrowed at a 4% interest rate and is to be repaid when new tax money is received by the township.

A monthly financial report submitted by Supervisor Nelson Hagnauer showed a \$3509 balance in the town fund on April 30, after expenditures last month totaled \$4568.

The April 30 balance of \$3509 was cut to \$424 with town fund expenses approved Monday night totaling \$3085. Included were \$1489 paid to deputy assessors; \$555 paid to the Gilchoff Agency for the supervisor's bond; \$100 rent paid for 32 polling places in the primary election.

Salaries included \$162 for the supervisor, \$300 for Assessor II, Von Dee Cruise, \$220 for clerk Mrs. Margaret Hornberger and assessor office expenses of \$75 for rent, \$16 for janitor service, \$11 for utilities, \$3 for office sup-

plies and \$89 for a personal property listing.

The deputy assessors and the pay they received were—Richard Reiter, \$120; Julia Lancaster, \$126; Mary Boring, \$126; Catherine Colligan, \$96; Carrie Hensen, \$96; Mary Hunt, \$30; Lorraine Isbrecht, \$144; Annie Kozaich, \$132; Evelyn McCollegan, \$30; Dorothy Petrillo, \$109; Virginia Poulos, \$84; Josephine Reszely, \$120; Anna Rhoades, \$108; Wilma Roller, \$121; Laura Sykes, \$48.

The supervisor's financial report for the general assistance fund showed an April 30 balance of \$25,668, with April disbursements totaling \$7042.

General assistance bills approved by the council Monday evening amounted to \$3566, of which \$1516 was for medical care \$1170 for food, \$256 for rent, \$13 for power bills.

Administrative costs were — \$75 office rent, \$450 half-month salaries for the office staff, \$45 for janitor service, \$13 for office supplies and \$28 for utilities.

Jet-smooth Luxury Chevrolet makes crooked roads feel like going straight

Your Chevrolet resists leaning on turns. Its Full Coil suspension makes the crookedest S-curve seem on the level. And with its low-friction Ball-Race steering system you waltz over twisting roads as gracefully as a ballerina.

Your Chevrolet resists bouncing on bumps. Chevrolet's Safety-Girder X-built frame soaks up jolts at its sturdy tubular center member. Its double-acting shock absorbers take the bumps out of bumps.

Your Chevrolet resists squatting on starts. The rear-end suspension with 4-link leveling control gives it Jet-smooth acceleration.

FOR THE GREAT HIGHWAY PERFORMERS

Your Chevrolet resists nose diving on stops. The front-end suspension with built-in anti-dive control gives it Jet-smooth stops.

Your Chevrolet resists shaking and vibrating. All seven Chevrolet engines are precision balanced for smooth operation. And because your Chevrolet has over 700 insulators and sound deadeners, you don't have to shout to have yourself heard.

Now it's Trade 'N' Travel Time at your Chevrolet dealer's—the perfect time to try the Jet-smooth ride. Find the meanest stretch of road you can. Then see for yourself how straight a crooked road can feel.

Noeth Urges Passage Of School Bond Issue

Thomas Noeth, counselor at Granite City high school, stressed the need for passage of the school bond issue in a talk for a joint meeting to the Twilight Optimist and the Granite City Kiwanis clubs Monday night at the Rose Bowl restaurant.

Noeth said to the 30 present, "There will be no place to put the children if new classrooms aren't constructed in the near future. There are already overcrowded conditions at the high school, Coolidge junior high and Frohhardt school."

"I'm optimistic, however, that the bond issue will be passed," he continued. "And even with overcrowding at certain schools, the children are well-behaved. A question and answer period followed Noeth's speech."

Vandals Spill Milk At Washington School

Vandals took six or seven small cartons of milk from the cafeteria of Washington school, 20th and Nevada avenue, Monday night, spilling milk on the floor and scattering soda straws. Nothing was missing, it was reported.

Entry was gained by removing a small pane of glass from an east side door, reaching in and unlocking it. A similar case occurred during the weekend at the New Logan school where milk also was spilled on the floor.

Man Pleads Not Guilty

Edward Abney, 30, of PO Box 211, Madison, pleaded not guilty to charges of driving while under the influence of liquor, speeding 50 miles an hour and failing to observe a stop sign at 12th and Rhodes streets where he was arrested Sunday night. Magistrate Gasparovic set property bond at \$650 Monday pending a hearing, and he was taken to the Madison county jail Tuesday afternoon after failure to make bond.

State Street Accident

A car driven by George Free, 1105 Grand avenue, Madison, struck and damaged the left rear of a car driven by Kenneth Murphy, 212 Ivy lane at 12:45 a.m. Tuesday at 1420 State street as both were headed north.

Mr. and Mrs. Thomas G. Foley, 2927 Lynch avenue, are the proud parents of a seven-pound, nine-ounce daughter born Monday at St. Louis Maternity Hospital. The baby has been named Elizabeth Ann. She has a brother, Michael, three years old.

The father, a process engineer with the Union Starth & Refining Co., is on a special assignment at the new plant of the company in Edinburgh, Ind.

Pleads Not Guilty to DWI

John Gancheff, 36, of 4110 Kirkpatrick Homes, was fined \$10 and costs on each of two charges of speeding and a stop sign violation Monday before Magistrate Gasparovic. He pleaded not guilty of driving while under the influence of liquor and was released on \$500 property bond pending a hearing. He was arrested at 2 a.m. Monday at Nameoki and Johnson roads.

Bus Trips Planned To All Muny Shows By Park District

For the first time since the program started four years ago, the Granite City park district plans bus trips to all St. Louis Municipal Opera shows this summer.

The district has reserved 41 tickets for each trip. Cost per person is \$3.25, which includes transportation by air-conditioned bus.

Tickets are available from the park office at Wilson Park. Reservations may be made by calling TR. 7-3059. Checks or money orders should be made out to the Granite City park district.

All trips will be on Tuesday nights. The first two—June 9 and 16—will be for performances of "My Fair Lady." Other trip dates and the shows are:

June 23, "Showboat"; June 30, "Mr. President"; July 7, "Carousel"; July 14, "Tom Sawyer"; July 21, "Milk and Honey"; July 28, "Dinner at Eight"; Aug. 4, "Boys From Syracuse"; Aug. 11, "Porgy and Bess"; Aug. 18 and 25, "Sound of Music."

Harold Brown, director of parks and recreation, is a dinner on stage and tour behind the scenes is planned for one of the trips. There will be an extra \$1.50 charge on that night, soon to be announced.

In the first three years of the opera trips, the number of excursions jumped from two to four to seven annually. Brown says an opera ticket has yet to go wanting.

Record-Smashing City Sales Taxes In 1963 And December

City sales tax revenue reached new heights during 1963 in the Quad-Cities, newly-released Illinois Revenue Department records disclosed today.

The tally was \$297,033, exceeding the previous totals of \$293,501 in 1962, \$296,633 in 1961, \$384,367 in 1960, \$251,313 in 1959 and \$21,309 in 1958.

\$224,207 in 1957 and \$191,301 (11 months) in 1956. The half-cent-a-dollar tax went into effect locally Feb. 1, 1956.

Madison revenue dropped slightly, from the record of \$43,129 set in 1962 to a \$42,530 level last year. Venice city income from the sales tax also was down, totaling \$10,764 in 1963; this compared to \$11,019 in 1962 and the peak of \$12,081 reached in 1959.

\$243,000 New High For GC
But Granite City's share of the tax smash was all previous marks with an accumulation of \$243,738 in the year just ended. Granite City totals have included \$150,146 in 1956, \$174,248 in 1957, \$170,088 in 1958, \$199,088 in 1959, \$213,447 in 1960, \$205,380 in 1961 and \$239,282 in 1962.

The 1963 tabulation was completed with a December report showing \$143,551 revenue for local city treasuries, including \$28,412 for Granite City, \$4970 for Madison and \$1268 for Venice.

Most Holiday Peaks Broken
These December figures include three all-time records for any month—the Granite City, Madison and Quad-City totals. Venice sales taxes amounted to \$1310 in December 1956.

A breakdown of 1963 monthly sales tax revenue for the city of Granite City follows:

January, \$22,617; February, \$21,401; March, \$23,133; April, \$23,267; May, \$24,236; June, \$28,448; July, \$23,311; August, \$25,420; September, \$25,588; October, \$24,180; November, \$22,836 and December, \$34,551.

Inclusion of the latest year's receipts brings the Quad-Cities to within a whisker of the \$2 million mark.

Over the past eight years, the accumulation has been \$1,955,386 for Granite City, \$312,618 for Madison and \$81,562 for Venice, a grand total of \$1,999,569 for the local community.

Of the four-cent tax collected in incorporated areas on each dollar of sales, the state retains three and a half cents and returns a half-cent to the cities.

Committed to Honor 45 Years Service by Miss Mary Blackburn

Former Students Plan Banquet Here on May 28th

By JON L. DIESSEL

A woman—Mary Blackburn—will retire from the faculty of the Granite City senior high school in June of this year. An era, dating back to the year 1919, will come to an end. But on institution and a legend will remain, and will endure perhaps as long as our schools themselves.

Mary Blackburn has been more than teacher of English and speech to thousands of Granite Cityans over a span of 45 years; she has been inspiration, kindness, opener of doors to broader, richer vistas. She has been, conscience and confessor, confidant and companion. Searching always for the best her students have had to give, and once finding it, demanding always that they give no less, she has brought fame, honor and recognition in many forms to her students, her school, her community and inevitably, but unseekingly to herself.

Recognition Banquet May 28
Her students—past and present—will gather with her friends and associates to honor her at a recognition dinner at the park district Community Center in Lincoln Park on May 28. Some, who have left the city to seek careers in the performing arts and other professions, will travel hundreds of miles to be here that night. But a far greater number will come from the city itself, from the ranks of its elite, business and professional leaders, its industrial craftsmen, its housewives and mothers, and its students.

Her accomplishments, and they are legion, will be reviewed; state and national championships in forensic and dramatic competitions; the conception and formation of organizations and activities which have become traditional in, and vital to, the life of our schools; her activities in and leadership of various state and national educational organizations.

But more importantly, the program of the evening will be primarily concerned with the personality, the human being, behind the honors, accomplishments and traditions. Speakers will recall the Mary Blackburn who, in and out of her classrooms, has affected the lives of so many of her contemporaries. A special committee composed of former students and teaching associates is planning and arranging the recognition dinner.

Memories of Students
While all of her former stu-

denis share some common memories of experiences with Mary Blackburn, all depending on their individual leanings or talents have many other memories which are unique.

Therefore, I can't pretend to speak for the great body of her former students in any but the most general way. In writing of the Mary Blackburn I knew and know, I can only hope that some of my experiences and impressions will be common to all and that I can, in a large sense, be said to express a shared appreciation.

To begin, I must recall, as I'm sure many others can, being summoned to her room by a call slip my first week as a freshman, and being asked why I hadn't signed up for English 5, the basic speech course.

After replying that it simply had not occurred to me, I was made to realize that, while this was unfortunate, there was still time to rectify the mistake; and since I just happened to have a free study hour at the time when one of her classes met, I went to her room for one of two more in the class. It was, indeed, a most pleasant association.

She divined early that whatever talents I might have lay not in the area of acting, and I took my place in a succession of the most dramatic productions of the acts of major productions such as the homecoming pageants, conceived and written under her guidance by the students who presented them.

Ways of Encouragement
She encouraged me instead to participate in debating, to serve as writer and narrator for some of the original productions we did. I saw her do the same for many others—and in a succession which she felt they had a chance to express themselves and, equally important, to receive a push, entice and guide them in that direction. She was almost invariably right.

It seems now that half our lives with Mary Blackburn were spent on buses, traveling to and from the metropolitan area, to various towns in southern Illinois to Springfield, Champaign-Urbana, Chicago.

Most often went to participate in tournaments. Until we got into the state finals, the tournaments in the spring. Miss Blackburn's motto was "we compete by the busload. We didn't allow a student to always outnumber the competition. We traveled also on occasion to present a play or a pageant.

Student Incidents
Incidents, most of them humorous, abounded on such trips. Buses were delayed, late students were rounded up; towels were stuffed under doors and windows to avoid detection when staying up after lights out; in Evanston, hotel rooms were stealthily left for midnight visits to the Chicago Loop.

As a long suffered through, on a long ride with a "stomach ache," but his alert seating companion deftly thrust the boy's head out the window in the nick of time at each occurrence. We were amazed to learn the next morning that, shortly after our arrival home, he had been admitted to hospital for an emergency appendectomy.

After winning the state speech tournament, host of the banquet, 1952, we celebrated so vigorously on the bus ride home that, in mid-voyage, one of the boys fell from its perch and was broken.

Miss Blackburn has had a long association with Northwestern University, which is generally considered to have the finest school of speech in the nation. She has seen many students over the years to the National High School Institute each summer. She seemed to us at the time to hold in the university itself the key to the university itself the key of Evanston. We heard the vir-

Committee in Charge of Banquet Arrangements

The committee arranging the special recognition banquet for Miss Blackburn is composed of her associates and former pupils.

They include Mrs. Sidney Grossman of Ladue, the former Miss Betty Jane Holland; Mrs. Curtis Green, wife of a Granite City dentist and the former Miss Marjorie Sappington; Mrs. Charles McCollum, the former Miss Mary Taff; Charles McCollum, manager of Louty manufacturing firm.

James Bandy, an East St. Louis attorney; Robert O. Butler, assistant professor of speech at St. Louis University; and the president of Aro-Dressel Foods Corp.; Miss Mary Luther, retired Latin teacher and close associate of Miss Blackburn; R. D. Todoroff, Coolidge Junior high school music instructor and director of the Granite City school system; and Eugene Alkasi, supervisor of art for the Granite City school system.

THE MARY BLACKBURN RECORD

Teaching Activities

Head of Granite City high school English department from 1919-1922; organized the speech department in 1922 and became its chairman, and has served in that position ever since. Conducted a children's summer theatre from 1933-44, with as many as 130 children in the summer. Also taught speech at summer sessions at Morning-side College, Ia., and taught and counseled for five summers at National High School Speech Institute, Northwestern University, Evanston, Ill.

Competitive Record

Six Illinois State Speech team championships. Many individual state championships. Numerous district and sectional championships, both team and individual.

National Forensic League National champions: 1. Howard Wilson 1931-1933 2. Harold Stark 1933 3. Karl Visser 1934 4. Julia Pitchford 1937-1938

National High School Forensic Award—Won by Granite City in 1933. This award was given to schools and individuals who had the most outstanding work in the nation in speech activities.

In 1928 Joseph Kurze won a National Oratorical Contest on the American Constitution sponsored by the Chicago Daily News.

In 1933 Burton Bennett won the National American Legion Oratorical Contest.

Freeholders Foundation—Has entered four presentations in the annual program sponsored by the Freeholders Foundation, Valley Forge, Pa., a national organization dedicated to "Outstanding achievement in honoring about a better understanding of the American way of life." I had just won the highest awards given. The years, and titles of the presentations were:

1935—"Roads to Freedom"
1937—"Carnal Lust, U.S.A."
1939—"Monuments to Freedom"
1942—"Private Enterprise as Exemplified in Granite City."

Source of many delightful anecdotes over the years.

We retired to the "living room" of the large room, a former study hall, and settled in two comfortable easy chairs. It had been a long time since I had spent more than a passing moment with her, and yet it felt as if I had just stepped in after my last class to discuss plans for an upcoming debate tournament.

I found it difficult to concentrate my conversational efforts on the gathering of material for my Press-Record article. We talked at length of the very last day and night of the plays the students would see, the performance they themselves would give. I scanned the trip's itinerary, and asked how on earth she proposed to transport 29 high school students by taxicab from a restaurant in Greenwich Village to a theatre uptown without losing half of them and running the risk of disrupting the entire performance when the lost half struggled in during the middle of the second act.

"No Problem at All"
"Why it's no problem at all," she said confidently. "I'll just take a very late train and group of five or six. They'll make it fine."

I laughed, and thought back to my own experiences, although we never ventured a trip to New York, we certainly had a lot of territory and "made it fine"—most of the time.

I speculated silently as to how many of us there must be in Granite City and elsewhere who could contribute a chapter to a very late train and group of five or six. They'll make it fine."

A 1939 ACCOMPLISHMENT was recorded with this photograph. "I had taken the five boys to Beverly Hills, Calif.," Miss Blackburn said, "to a national speech contest. We won that year the National Sweepstakes Trophy for excellence in national competition for the eight previous years." Left to right are—Miss Blackburn; Richard King, Keneth Fien, Elmer Hommerson, Joseph Brennan, George Harmon and Paul A. Grigsby, former superintendent of schools.

exactly how many state speech championships her teams have won.

"About half a dozen," she said after some thought. "You see in the early years they didn't have state tournaments as we know them now."

Dozens of Trophies
This question led us to the other end of the room, where trophies bearing a bronze replica of the State of Illinois in the walls like shields in the great hall of a medieval castle. There were several dozen district and sectional tournament plaques lining the side walls and on the front wall were the larger plaques from the most recent state championships years 1952 and 1955.

"There are more trophies in the hall case," she volunteered, "but I think we can simply say that we've won half a dozen or so state championships, numerous sectional and district championships and many other tournaments of various kinds," I said.

"I had had to start wearing glasses two years ago, and I was sure that by the time I had read the engraved small print on every trophy won by a Mary Blackburn team or contestant since 1919, I would be on the threshold of total blindness."

"How did you happen to come to Granite City back in 1919?" I asked. "It was a much smaller place at those days, and must have seemed far away to someone born and reared in Ferguson."

She explained that after graduation from Washington University she had considered many possible teaching positions. Her ambition at that time had been to teach in a small college, but she was in the teaching positions. Her ambition at that time had been to teach in a small college, but she was in the teaching positions.

She was considering seriously this small institution when a friend, who was teaching in the Venice schools, suggested that she look into the possibility of obtaining a position in Granite City. As much to please her friend as for any other reason, she accepted the offer and was offered a position as teacher of history and English.

Flop of Coin Decision
She was forced to make a last-minute flip of the coin decision between the position in Granite City and the position in a small college. Little realizing that she was signing on for a very long time, she accepted the Granite City job. Her superiors in the system at the time were the now legendary L. P. Frohardt, superintendent of schools, and Walter F. Coolidge, principal of the high school.

I commented that, in those pre-Mark Twain expressway days, it must have been a long trip from her home in Ferguson to Granite City.

"About two hours," she said. "My friends would laugh at you for having an easier time. In fact, they used to save money by talking across the McKinley Bridge."

I reflected that it must have been much like running a race with one's hand on the starting gun. But then, things moved at a slower pace in the days of the Model T.

She went on to explain that, although she has remained through the years a resident of Granite City, she has not remained in the system, with several friends, an apartment in Granite City.

8 In First Class
Her first title, she related, was head of the English department in 1922. She had no title, but the school system's first speech class, and became chairman of the speech department. Her initial class consisted of eight students. (Today the high school's speech program encompasses over 100 students in 22 different classes. There are now seven teachers of speech in the junior and senior high schools.)

We returned to our easy chairs, and began to talk of the many outstanding individual students she has taught over the years. We talked of several who

are pursuing acting careers; others who are in radio and television, of many who have been successful lawyers, doctors and businessmen.

"It has pleased me as much as anything," she said, "to see so many of the finest students I've known have come back to Granite City and made their careers here. It's the sincerest compliment the city can be paid."

I asked whether she still followed the practice of having every speech student get on stage in some manner or other during the homecoming production.

"Of course," she replied, "but that wasn't always the case. Do you know why I began that practice?"

"I said that I did not, but that I and many other men must certainly remember the agonizing moments of conflict between football practice and rehearsals for the homecoming production in my day, everyone at one time during the homecoming production."

"What do you do?" I asked.

"Well, I'm no Mary Luther when it comes to keeping books, but I've handled it all myself," she replied. "And I'm sure most people thought that after her retirement we would soon have to file bankruptcy."

"I asked that the most of her former students would probably view this as an accomplishment worthy of a state championship trophy."

"As if to dramatize the point, a woman appeared in the doorway inquiring about the purchase of a ticket for the senior class play, Miss Blackburn positively informed her that the books had been put away for the week and asked her to return Monday morning."

"We talked on about many things; the cold war, the growth of Granite City and its schools, the 40th anniversary of the birth of Shakespeare, reminiscences to which she could take her students when in New York, her nephew, my baby daughter. I found myself staying much longer than I had anticipated, and left with not nearly as much factual data as I had hoped to gather, but feeling in some indefinable way that my spiritual hunger had been slightly recharged."

I mused that this, in a large respect, is the true greatness of Mary Blackburn. Hard as it might be to isolate and pin down the specific parts, and the large efforts of association with her is one of intellectual and spiritual enrichment and awakening."

She had no definite retirement plans to discuss, but I now had one for her. She can simply open an office downtown and schedule appointments for conversation with tired businessmen like myself. I'll be the first in line, because it's wonderful therapy."

Miss Luther's Influence
"May come to Granite City."

1. School newspaper begun in 1922 when the Press-Record gave one to the high school. (First school editor was C. E. "Coxy" Townsend, now editor and publisher of the Press-Record.)
2. Formation of the debating team, which has won success over the years in state and regional tournaments.
3. Choosing of the seal of the press class ring in 1922.
4. Writing of the alma mater song by Freda Dexheimer, in an English class in 1922.
5. Formation of the Alumni Association by a group of former students at the invitation of Miss Blackburn and former Superintendent of Schools Paul A. Grigsby.
6. The first May Day presentation, directed by Miss Blackburn and two other teachers in 1925.
7. The establishment of Homecoming activities in 1925.

8. Freeholders Foundation entries begun in 1932 with "Roads to Freedom."

Activities in Educational Organizations

1. Procured a charter in the National Forensic League for Granite City High School in 1928. Students from the school participated in many state and national tournaments through this organization, and won several national championships.
2. Was a charter member of Masque and Gavel, national speech honorary society, in 1941, and has served as national president of this organization. This organization has sponsored student pilgrimages to New Orleans, La., Gulfport, Miss., Ann Arbor, Mich., Evanston and Chicago, Ill., Washington, D. C., and New York, N. Y., since 1952.
3. One of the founders of the Illinois Association of Teachers of Speech in 1931. President of this association 1938-1940.
4. Served as first vice-president of the Central States Speech Association.
5. Served as second vice-president of the Speech Association of America in 1953.

Activities and Honors in Recent Years

1. Honored at a luncheon of the Illinois Association of Teachers of Speech and given a life membership.
2. Honored at a speech luncheon at Southern Illinois University in Carbondale.
3. Northwestern University has asked that her picture be hung in the seminar room of the School of Speech and honor reserved for outstanding teachers of speech.
4. Spoke November 1952 before the Secondary Schools Principals annual meeting on the subject of "The Humanities."
5. Honored by the Business & Professional Women's Club in 1956 as "Woman of the Year." Runner-up for the Civic Award in Granite City in 1964.
6. An article on school assemblies was printed in the journal of the National Association of Secondary School Principals, parts of which have been reviewed in some text books.

SWIU Work Resumes, Laborers End Walkout

A two-week disruption of construction at the Quad-City Edwardsville campus of Southwestern Illinois University came to an end Tuesday as 60 members of Laborers Local 179 of Edwardsville ended their walk-off.

Frain-Colton Construction Co. of St. Louis, general contractor for \$12 million in buildings under construction on the campus, agreed to make changes in working conditions to which the union had objected.

Other craftsmen on the project, who were laid off because there was no work for them without the laborers, were recalled to their jobs. It was the longest delay experienced at the project since a general construction strike was called throughout southern Illinois.

'Face-to-Face' Meeting Planned for Sweeper Repair Bill

A \$9991 sweeper repair bill, pay increases for two city employees, zoning problems, a proposed removal of a railroad station agent and a damaged bicycle kept Granite City council members busy Monday night.

The sweeper repair bill, which Street committee chairman G. H. Sternberg asked to be kept off the bill list until there is a "face-to-face" meeting of the committee and street superintendent with officials of O. B. Avery Co. also was the topic of a letter sent to the council by Alderman Gabriel Betine, who is ill.

The city was advised in another letter, sent by the Avery Co., that the original bill granting a \$1000 discount was not approved by the head of the firm who was vacationing at the time it was sent.

Downward Revision Expected Sternberg said he had talked to the firm's salesman, who

agreed that the original figure of \$2300 for repairs had been correct and then revised to \$4000-\$4500. He added that upon talking to another representative of the firm, he was told the \$800 figure would be revised downward.

The old sweeper was purchased in 1937 at a cost of \$10,725, and the city was billed \$3349 for labor and \$542 for parts.

Mrs. Betine pointed out the committee would have conferred with the council and "shouldn't be allowed to usurp authority that is vested in 16 members."

She also re-emphasized her opposition to sidewalk construction not budgeted and suggested the work at West 25th street and Missouri avenue be postponed until after the new budget is prepared.

Alderman Donald Partney pointed out she had voted for the sidewalk and that her attempt to have her vote changed was rejected by the council. He was advised by Mayor Davis that the contract with Ellsworth Concrete Co. has not yet been signed.

Mrs. Betine earlier had threatened a lawsuit if the city proceeded with the work and requested in her letter that the city would not be held responsible for paying for any items which had not been included in the budget.

Partney contended the sidewalk project did not need a specific mention in the budget, since the city budgets a blanket amount for such work.

Pay Boost Proposals A \$25 monthly pay increase for Mrs. Velma Zang, secretary for the zoning and inspection office, was approved over protests for a committee referral. Referred to the Finance committee for further study was a recommendation by Mayor Davis for the hourly pay for the assistant to City Clerk A. L. Stevens to be increased from \$1.65 an hour to \$2 an hour. She is Mrs. Virginia McLester.

Alderman Partney, chairman of the Planning and Zoning committee, pointed out Mrs. Zang did not get an increase last year when other city employees, including new men on the street department, were increased. She spends numerous night hours recording minutes of the City Plan Commission. Zoning appeals and the boards of city units, he said.

The \$25 increase set her salary at \$300 a month. Because of insistence for a committee referral, Alderman Ford Johnson withdrew his second to the increase motion, but Alderman Clyde

Boyd supplied the second. The vote was 9-10-4 for the increase.

18 Blanket Boosts The recommendation by Mayor Davis for the assistant clerk's hourly increase is to be studied by the Finance committee. Most other city employees got automatic \$18 monthly pay boosts on May 1. Although a temporary employee, Mrs. McLester has been working 40 hours a week.

It was suggested she be considered a permanent employee. Approval was given the location of an automatic car wash on the parking lot at Tri-Mot Bowl, 3701 N. Main street, the 1500 block of Johnson road was rejected by the council since a car wash was not listed in C-1 commercial classification. The bowling alley tract is zoned C-2.

Alderman Partney reported the request for the car wash was submitted by Henry Ross and that the structure is to be placed on the tract west of the bowling alley building. It would not present the traffic problem that was

predicted for the Johnson road location, he said.

He also advised the council that the resolution for easements in Colonnades subdivision along West Park road and Highway 150, the city specification of 15 feet. The council approved the resolution.

Opposition was voiced by the council to a proposal by the New York Central and Gulf, Mobile and Ohio railroads to remove their station at the station at the 20th street crossing. The city was to be advised of a hearing date before the Illinois Commerce Commission. City Atty. George Plutoff was instructed to notify the ICC of the city's opposition.

Referred to the city attorney was a letter from Mrs. Mayne Schaefer advising the council her daughter's bicycle had been demolished April 29 in a mishap in the 2900 block of Pershing avenue involving a city insect fogging machine. She said her daughter, Sandra Leigh, escaped injury, but she believed the city should replace the bicycle.

City Hall Stop For X-Ray Unit

Free public chest x-rays will be given from 9 a.m. to noon and 1 to 5 p.m. Saturday at the city hall, 2000 Edison avenue.

This will be the final stop by the Madison County Tuberculosis Association's mobile unit in the Quad-Cities this spring, save a May 19 session to x-ray employees at Laclede Steel Co., Madison.

There is no charge for the x-rays which are analyzed by a certified radiologist. Results are usually announced in four to six weeks.

If a chest condition is noted, the person will be asked to check with a physician and the report and x-ray are mailed to the doctor. If a larger film is requested, the TB association will pay for the additional x-ray.

Funds are obtained through the annual sale of TB Christmas seals.

Mefford Fined \$200 On Bowland Operations

Harold Mefford, operator of Bowland lanes on Namecki road, was fined \$200 and costs Tuesday by Circuit Judge Joseph J. Barr who found him guilty of violation in a non-jury hearing. County deputies staged a raid at the establishment last Feb. 22 when they found alcoholic beverages being served to patrons after the 1 a.m. closing hour. Chief Deputy George Ramach testified at the hearing.

Displays, Tours Part Of Armed Forces Day

Six displays will be exhibited by the 588th Engineers of the Granite City Army Depot Saturday and Sunday at Forest Park in St. Louis, to run in conjunction with Armed Forces Day, according to Maj. Alvin L. Morgan, director for services at the depot. No celebration is planned at the local depot.

Maj. Morgan said the 588th will supply large moving equipment to transport the 82 other displays from all parts of the country to the depot, and will furnish mess facilities for both the afternoon and evening meals those two days to the more than 1000 persons expected to take part in the event.

There will also be open house at the four firing batteries of the First Missile Battalion which are in metropolitan area with conducted tours through the battery areas given and movies of the Nike-Hercules weapons shown.

The bases are located at Marine, Hecker and Gratton, Ill., and Pacific, Mo.

Heavy Impact On Future Of World By Drug Research

"Tremendous 'breakthrough' in research by major drug companies, particularly in recent years, have extended the average human life span to 70 years and that of the female several years longer," Donald Schafer, representative of a drug manufacturing firm, told the Granite City Rotary Club at its weekly luncheon meeting Tuesday at the YMCA.

Schafer said the ancient Romans and Greeks, due to the discovery of the cleansing effect of water baths, increased their average life span from 15 to 18 years. Subsequently, medical advances continued extending the average span until in 1900 it was 49 years in the United States.

"Since then there have been remarkable research developments, including sulfa drugs, penicillin, antibiotics, etc.," he said. "As you know, sulfa, discovered only in 1935, saved Winston Churchill's life twice."

"There is very little tuberculosis now," he continued, and pneumonia, which barely a generation ago took one out of three lives of victims with treatment averaging about \$1000, now is rarely fatal and the cost is around \$100 for treatment.

"Nearly 85% of today's drugs were unknown only 15 years ago," Schafer told the Rotarians. "Thanks to the hundreds of millions of dollars spent in research by drug companies. Last year, this research amounted to \$287 million, yet we Americans spent six times that much on tobacco and alcohol."

A little known statistic, he said is that not many years ago this nation had 850,000 orphans, but today this has been reduced to 90,000 whose parents are both dead.

Research is both lengthy and costly; he estimated that out of 114,000 research projects going on now only about 40 will survive the tests for usefulness to mankind and be marketed.

"And before these products are put on the market, every doctor and pharmacist will be thoroughly informed about them by the drug companies. Also, the new drugs will have been tested and approved by federal laboratories."

Schafer said drug cures for certain types of cancer already have been developed and he confidently predicted that all cancer types would be susceptible to cure within a decade "if all the research programs are continued. Our company alone has spent \$10 million thus far on cancer research, and I'm sure we all want this work to go on."

He estimated the cost of an

May Day Plans Advance

GC Band Plays Concerts This Week On Texas Tour

The Granite City high school band composed of 116 students left Tuesday in three buses for their annual trip to Houston, Texas.

They are to give two concerts in an air-conditioned school there and then make a short trip to Galveston for another high school concert. They also planned to take a few guided tours and do a little sightseeing on their own.

The trip was financed by proceeds from a pancake supper, bag days and a sale of concert tickets.

Preparations are advancing for the annual May Day program to be held Thursday and Friday of next week. The theme "Sketchbook USA."

Judy White will reign as queen, and her court will include Mary Kriv and Sharon Hamilton, first attendants, and Judi Spurrin and Mary Lewis, second attendants.

A preview of a show by the Girls Athletic Association, May Day sponsor, will be given Wednesday afternoon for grade and junior high school students.

Nona Hobbs is the student chairman. Committee chairmen are Gloria Caban, costume drawings; Carolyn Bertacchi, house and messengers; Patty Kanula, program; Karen Durbin, publicity; Lynn Craddock, stage and settings; Ruth Bauman, senior professional; Susan Wardlow, seating; Nancy Edwards, clean-up; and Kathy Danner, records.

Teachers assisting are Barbara Kerch, Miss Dorothy Mitchell, Mrs. Karen Smith and Miss Wanda Carroll.

Fifty students are to be initiated Monday in the Student Music Masters, including 25 band and 24 vocal initiates. Stunts, examinations and a solo

Part-Time Jobs Aid Top Students at SWIU

Forty per cent of the students making the dean's honor roll during the winter quarter at Southwestern Illinois University were employed part-time as student workers within the university.

More than 600 students currently are paying part of their educational expenses with money earned through part-time jobs at SWIU, David R. Van Horn, coordinator of student employment and placement service, said.

The average working student in the employment program is through student employment.

Members of the Granite City high school Future Homemakers of America have scheduled a bake sale and a car wash to help finance a trip to Lester, Mo., where they will stay at a lodge on the weekend of May 22.

Twenty girls will make the trip, determined by the number of points they make by their work in the bake sale, held last Saturday, and the car wash, set for Saturday.

Tom Miosky, district president, along with Bill Winter and Walter Vidan, attended the student council state convention last weekend in Chicago. They traveled by train. They heard a talk by U. S. Sen. Jennings Randolph of West Virginia. Miosky is the new student council president.

23" RECTANGULAR COLOR TV from MOTOROLA

Come in and hear the ohs and ahs at the color...the crisp, sharp picture.

If you've been waiting for color TV to shape up a bit before you bought one, your wait is over! First off, you'll notice that the tube in this new Motorola color TV is rectangular in shape—just like the one you're used to watching on your black-and-white set. Because this tube is approximately 5 inches shorter than conventional round tube color sets, the cabinet is slim and trim.

But the important thing is the picture on the screen. The colors are...well, you just won't believe it until you've seen them yourself. Why not come in for a personal demonstration?

Classic simplicity—genuine mahogany or walnut veneers and select hardwood solids.

Model 23CK38

Model 23CK38

MOTOROLA RECTANGULAR COLOR TV offers you all these advantages:

Motorola's own hand-wired chassis is precision crafted with modern hand and clip soldering for circuit connections of high reliability.

A Motorola full year guarantee on all tubes and parts. We will arrange to have any component proven defective in.

Early American—beautifully crafted in genuine cherrywood veneers and select hardwood solids.

Magnificent Tru-tone styling by Drexel—elegant sliding doors cover the screen when not in use. Genuine mahogany solids and veneers.

Venetian Yearbook Plans To Be Made, St. Louis Tour Set

By EVIE RITZ

Members of the publications class, excluding the four senior girls, will select the cover color and style they wish to have for the 1965 Venetian yearbook tomorrow.

In addition to the current members of publications, a few persons have been asked to help in making this major decision. They are Barbara Manier, Judy Reidelberger and Patty James, who have indicated that they will join the class next year.

On Tuesday the publications class will tour the St. Louis Post-Dispatch. The group will leave at 8:50 a.m. and return at 1 p.m.

The group will tour the building, view the various presses and machinery needed to print a paper and will watch type being set.

The class also has permission to tour the KSD studios and attend the Charlotte Peters television show.

Broadway Collision

A Venice collision Monday afternoon dented the right front fender of the car of Willie Walker, 61 Grenzer Homes, Madison, eastbound on Market street, and the left front fender of the auto of James Bendel, Collinsville, traveling northeast on Broadway.

Over 2000 View Pupils' Artworks

Granite City school officials were "thrilled" and "pleased" by the turnout of more than 2000 persons at the annual "Acres of Art" display in the high school gymnasium Monday evening.

A line began developing at 5:45, and a steady procession down each aisle and leading out of the building continued until 9:30.

The gallery arrangement enabled visitors to view virtually every type of art medium; the exhibit reflected all types of art taught between the Granite City kindergarten and twelfth grade levels, and among the spectators were many elementary teachers, who include art in their instruction.

Proceeds from sale of seniors' artworks, combined with voluntary contributions, will enable an art scholarship to be given by the Granite City Area PTA Council, sponsor of the display. Eugene Alessi, supervisor, and art faculty members participated, and the creations of thousands of students were shown.

FREDERICK J. ALBERS SR. relaxes in his new lounge chair and accepts the congratulations of Michael Popp (left) and James Bernau upon his retirement from the Granite City postoffice Monday afternoon when he ended 34 years of service. The chair is a gift of the postal employees.

Albers Retires After 34 Years in Postoffice

Frederick J. Albers sr., 2437 Edison avenue, retired Monday after 34 years of service at the Granite City postoffice.

He was presented with a lounge chair from fellow employees before leaving work. Tomorrow will be his anniversary date but he will be on vacation until May 22.

Albers, who plans to move with his wife to Staunton where he has purchased a home, began work as a substitute and later became assistant superintendent and foreman of the mail.

He recalls that on his first day on the job he had to walk, and then he made special delivery on a bicycle. "We used to get paid by the piece and had to furnish our own vehicle," he said. "One day I worked from 7 a.m. to 6 p.m. and made 18 cents."

"We had to be here for every train and had no way of knowing when they would get in," Albers was assigned to the Kate street office as assistant superintendent for a number of years and moved to the main postoffice when the branch office was abolished last winter.

For the future, he plans to help his son farm some land and "do a lot of fishing and hunting."

Stop Signs, Parking Zone Ok'd by Council

Approval of stop sign installations to halt traffic crossing Edwards street at Hall street and at Ridgedale avenue was given Monday night by Granite City council members. At Hall street, scene of a fatal crash last month, there now are yield right-of-way signs.

An ordinance establishing a no-parking zone on the east side of Nameoki road north from Wilson avenue also was approved.

A request was made by Alderman Edmund Bartosik for other stop signs to be placed on Hall street at its intersections with 24th and East 25th streets. He also asked for restricted parking in the 1200 block of East street in front of St. Joseph's Church. Ordinances are to be prepared.

Briggs Told No Air Pollution at Lagoons

The state Sanitary Water Board cleared the air for Granite City Steel Company's sewage treatment lagoons at Horseshoe Lake for Nameoki township Supervisor Harry Briggs.

Briggs reported to the town board Monday night that he was told at Springfield by officials of the SWB that there will not be any air pollution stemming from the sewage basins.

In other action at the board meeting, the auditors ordered additional bids be secured for a water cooler and a records safe for the township office. Auditor Herbert Polley was named agent to handle Illinois Municipal Retirement Funds for the township starting next Jan. 1. His pay will be \$320 a year.

Briggs said an announcement will be made in the near future on dates for rabies inoculation clinics for dogs.

Irate Woman Shoots Man In Eagle Acres

An irate Venice woman fired two shots at J. C. Baker, 1015 Logan street, inflicting a minor wound to his right elbow at 7:30 p.m. Monday at 200 Carver street, Eagle Park Acres. No charges were preferred.

Madison county sheriff's officers said Baker was in his 1959 auto when another car pulled around the corner and a woman seated in the back seat fired two shots from a .22 caliber pistol. Two men were in the front, but the told authorities she did not know their names.

Baker fell out of his car but re-entered it and drove to the emergency room at St. Elizabeth Hospital where he received emergency treatment and was referred to a private physician. Deputies said the shooting resulted from an earlier argument.

State Restores License

Secretary of State William H. Chamberlain today announced his office has rescinded the revocation of the driver's license of George A. Lynn Jr., 2013 Fourth street, Madison. The action, he said, was based upon affidavits substantiating the fact that Lynn did not permit unlawful or fraudulent use of the license.

Get Whole Room Comfort With A Philco 6,300 BTU SPACE SAVER Air Conditioner

WANT TO COOL A CLOSET?

That's right! Unless you're planning to cool a doll house or a closet you had better get an air conditioner that's powerful enough and puts out enough cool air to cool a normal size room. A car that operates on less horsepower will still get you there, although not as fast. But an air conditioner that puts out less BTU than is needed just won't do the job, no matter how long you wait. So if you want some comfort this summer, don't get fooled into buying a unit that's too small to do the job when Fredman Bros. can offer you a quality Philco with full capacity cooling power for just pennies a week more. Don't be satisfied with a compact when you can get a "full size" air conditioner for just a few dollars more. Come in and see them today!

U.S. Service Academies Exams in Area July 13th

Rep. Melvin Price today announced that a Civil Service competitive examination will be held in Alton and East St. Louis on July 13, for young men who are interested in attending one of the U.S. service academies. The results of these examinations will assist Congressman Price in making his selection of nominees to be submitted for consideration to each of the following Academies: U.S. Air Force Academy, Colorado Springs, Colorado; U.S. Military Academy, West Point, New York; U.S. Naval Academy, Annapolis, Maryland; and U.S. Merchant Marine Academy, Kings Point, New York.

Young men, between the ages of 17 and 21, not having reached the age of 22 by July 1, 1965, are eligible to compete in this examination. For further and detailed information, immediate contact should be made with the Honorable Melvin Price, 1234 New House Office Building, Washington, D.C. 20515.

**SIU Scholastic Honors
Day May 14 for 355**

A total of 355 Southern Illinois University students will be honored for academic achievement at the annual Scholastic Honors Day Convocation Thursday evening, May 14, in Shroyer Auditorium, Carbondale.

In addition, there will be about 150 special awards to students, many of them among those honored for their high scholastic achievement, a freshman or sophomore student must have averaged 4.5 (5.0 is equivalent to straight "A") and juniors and seniors must have maintained averages of at least 4.25.

Honors Day speaker will be Thomas Cassidy of the SIU department of English, who in 1962 was voted most popular professor by the student body and who during the same year was chosen for the great teacher award by the SIU Alumni Association. Cassidy's subject will be "Honor, Tradition and Style."

Frank Adams, chairman of the Convocations Committee, announced that following the 7:30 p.m. program a reception will be held in the Roman Room of the University Center for the honored students, their parents, friends, and faculty members.

**Anti-Rabies Clinic
Saturday in Venice**

Anti-rabies shots are scheduled to be given to small animals (from 4 to 5:30 p.m. Saturday) at the Venice street garage, according to city officials.

May 16 the shots will be administered at the Madison city garage, Dr. Leland Holt, local veterinarian, is supervising the program and the cost is \$2 for Venice and Madison residents and \$2.50 for non-residents.

**Calvo Plans to Buy
20th-State Tri-City**

Negotiations for the purchase of the former Tri-City Grocery building and lot at 20 and State streets are under way between Horace Calvo, attorney, and St. E. Pershall Jr., president of the grocery firm.

Calvo, who now leases quarters at 1530 State street, said he plans to remodel the large building to provide space for his law firm and three or four other offices. A parking lot is included.

The building is located on a .75-acre lot with 130-foot frontage on State street. The store has been closed about a year after 30 years operation.

GCHS Classes of '39 Reunion Set June 27

Reservations still are being accepted for the June 27 reunion of the January and June 1939 graduating classes of Granite City high school.

Efforts are being made for all 175 members of the June class and 83 members of the January class to attend the 25th anniversary reunion. Reservations may be made with Richard Yates, 2808 Fortune drive, who is athletic director for the school district.

Yates said only a few reservations have been made to date, and it is hoped a minimum of 175 to 200 persons will attend. The reunion will be held at Tril-Mor Bowl, and the \$5 per person charge includes a buffet dinner, set up, orchestra and souvenirs. It is to start at 6 p.m. on June 27.

Most of the June class graduates have been contacted, but addresses could not be located for the January 1939 class.

Higher Education Master Plan Hearing Set May 12

Group Plans Miss Blackburn 'Speech Scholarship Fund'

A Mary Blackburn Speech Scholarship Fund campaign which has a May 23 deadline for a \$500 goal is being conducted by Mrs. Blackburn's former students to honor her and to add to the honors she has brought to the local community in 45 years teaching. Jon Dressel, president of Adressal Foods Corp., is chairman of the scholarship fund.

Individual contributions are being sought to raise the money for the scholarship to Northwestern University. Mrs. Ruth Huxel, 2324 Edison avenue, is treasurer and checks, which should be made out to Northwestern University marked "for the Mary Blackburn Scholarship Fund," may be mailed to her.

Serving on the selection committee are Dressel, Burton Bernhardt, local attorney and one of Miss Blackburn's national contest winners, and Mrs. Mary Gene Knofke, librarian at the Granite City public library.

Granite City high school speech students seeking to advance in speech work will be eligible to apply for the scholarship once it is founded, and it will be kept in Miss Blackburn's name at Northwestern University.

Members of the committee point out that contributions to such a fund are tax deductible.

Wm. Watson to Attend Mathematics Institute

William T. Watson of 2036 Cleveland blvd., a mathematics teacher at Frasier junior high school will be a participant in a Summer Institute for Junior and Senior High School Teachers of Mathematics to be held at Augustana College, Sioux Falls, S. Dak. June 8 to Aug. 1. The institute is sponsored by a grant from the National Science Foundation.

"The purpose is to acquaint the teachers with recent changes in modern mathematics and to improve their backgrounds in subjects they are now teaching or will teach in the future."

County Board Action On Rezoning Deferred

Action on a request to re-zone 42 acres in Nameoki township at the end of Stratford lane sought by Dorothy N. Buenger, owner, and Charles E. Montell, purchaser, from agriculture to R-3 one-family residential and limited business is pending before the Madison county board of supervisors.

The request has received the approval of the county zoning board of appeals, but final approval of the county board has been withheld at the request of Harry Briggs, Nameoki township supervisor, who said he has heard a complaint on the change.

The county board approved a zoning change request by Charles Meyer and Everett Stingle to rezone a tract of land on the north line of Wilshire Manor subdivision in Nameoki township from agriculture to one-family residential.

The board has granted an extension of time to the county soil and buildings study commission to present a report on building needs. In other action the

board has—

Purchased three tractor mowers from the Edwardsville Motor Service Co. on a combined low bid of \$7349.

Authorized a call for bids for 362,000 gallons of bituminous material, 12,000 tons of crushed stone and corrugated metal culvert pipe for road maintenance.

Accepted a report from the county treasurer on investment of the county funds, including a \$115,000 dormant detention home fund, and a recommendation by the county auditor to re-invest \$150,000 of county funds after the current 90-day investment period.

Appropriated \$1000 to hire a certified public accountant to assist Auditor John Kraynak to conduct a thorough audit of court records in the offices of the former justices of the peace and police magistrates, and accepted a report from Kraynak that the county has spent less than 25% of its budget during the first quarter of the year.

Two-Month Assignments Place Judge Lewis Here

The May and June assignments of judges in the Madison county judicial circuit court were announced this week at Edwardsville by Chief Judge Harold R. Clark.

Former Probate Judge Austin Lewis is being assigned to the Division Six court in Granite City, with Judge Fred P. Schuman assigned to the former county court in Edwardsville.

Judge Clark will preside in Division One at Edwardsville, and Judges James O. Monroe Jr. and Joseph Barr will be in Divisions Two and Three at Edwardsville. Former Alton City Judge L. H. Strepper III will preside in the estates division at Edwardsville and former County Judge Michael Kinney will be in Division Seven at Alton.

In Bond county, Judge Foss Meyer will preside. Judge Lewis said jury trials are scheduled in the Division Six

court in Granite City for two weeks, with the juries to be selected at Edwardsville. All judges also are to be available for daily assignments in special cases as needed.

Brooks' Property Bond Increased to \$5000

Property bond for Jack Lee Brooks, 20, of 2313 East 23rd street, was increased to \$5000 Tuesday by Associate Circuit Judge Austin Lewis, and his bondman was released from any responsibility in withdrawing a previous bond.

The new bond applied to a burglary charge last Nov. 8 at the Veterans of Foreign Wars post home for which he is awaiting trial. He first was released on \$1500 bond.

Brooks also was being held on a charge of possession of dangerous drugs, with that bond set at \$2500. Also held on the drug charge is Charles Rex, 19, of 2504 Denver street, and Gordon

Lee Pearson, 25, who gave police a former address in Kirkpatrick Homes.

Ray also is awaiting trial on the VFW burglary. Brooks, Ray and Melvin Travis, 22, of 1734 Cleveland blvd., were taken to the Madison county jail Tuesday afternoon in lieu of bond.

Travis, who has yet to be tried on a charge of burglary at Carp's Dry Goods store last Sept. 21, was being held on a theft charge in connection with theft of checks and a check protector from the office of S. M. Wilson & Co. Pearson has been released on bond.

Weed Cutting Bids Sought; Bus Stop Wanted on Delmar

Spring and the May 1 start of new fiscal year for the city brought out the annual weed cutting bids in Granite City, and authorization was given by the council Monday night for bids on a 2450-foot excavation along 22nd street from Grand avenue to Adams street to install an eight-inch gas main. Arco-Dress Foods Co. was given permission to widen a driveway along Niedringhaus avenue west of Benton street to serve a new cooler under construction.

William P. Hamilton of the Transit firm said mid-day shopper buses are being planned for north and south operation on Delmar avenue and the stops are needed for persons from outlying subdivisions wanting to shop in the downtown business district. The buses also will go to St. Louis.

G. H. Sternberg chairman of the Street committee, reported the group was continuing its study of the agreement offered by the state highway department for city responsibilities in the construction of Federal Aid Route 151, also known as the Great River Road and Granite City Expressway.

He said work was started this week on the Vesel-Spalding ave-

Smartly Modern...Luxurious **brentwood** by *Fashion Trends*

Modern is more than a style, it's a dramatic, exciting mood that the Brentwood expresses with grace and clarity. In richly grained Natural Walnut, in straight simple lines tempered with softly curved console drawer fronts, tall, gracefully tapered legs that give an off-balance elegance to generously proportioned pieces. Like the king-size triple dresser with nine spacious drawers.

Every drawer in every storage piece is fully dovetailed, center-guided, and dustproof. This is typical of the many high-quality features you will find in the BRENTWOOD. A compliment to your good taste in fashion and your sound judgment of value. This luxuriously Modern furniture is excellently crafted and modestly priced. Stop in and see it soon.
